**DECLARATION OF JASON GRIBBON**

---

My name is Jason Gribbon. I am over twenty-one (21) years of age and am fully competent to make this declaration. I have never been convicted of a felony or a crime of moral turpitude and have no legal disabilities that would prevent me from making this declaration. Unless explicitly stated otherwise, I have personal knowledge of the facts set forth herein, and all of the statements in this declaration are true and correct to the best of my knowledge and recollection.

On May 28, 2019, I was employed by the Dallas Police Department as a police officer. I was working my regularly assigned patrol shift. I was in full uniform and working with my partner, Police Officer Matthew Rushing #9694. Officer Rushing was driving a fully marked black and white Dallas Police Department squad car. I was riding in the front passenger seat.

At approximately 7:55PM, Officer Rushing and I were just finishing up a disturbance call near the 1400 block of Robert B. Cullum Boulevard when a Priority 1 crisis intervention call came out over the radio. The call notes indicated that the subject was armed with a pistol, was pointing it at his throat, and was upset about something to do with his daughter.

Because this was a Priority I call, we responded to the call location with lights and sirens. Our activation of the lights and sirens should have caused our in-dash camera to begin

recording. I also recall manually turning on my body camera as we were driving to the call location. Other officers arrived at the call location ahead of us. I heard one of those officers relay that the suspect was inside a vehicle with a Hispanic or white female with blonde hair. I began to get concerned that this situation could turn into a barricaded person with a hostage.

Moments later Officer Rushing and I arrived at the call location. I jumped out of the car at the intersection of EB CF Hawn service road and Murdeaux. I ran towards an opening in the fence of the Five Ponies truck sales yard towards other officers.

Shortly after I came through the fence, I heard Sergeant Nosworthy yell out for all of the officers to get behind cover. During that time I heard officers yelling loud verbal commands to the suspect to show his hands. The suspect continued to resist the officers loud verbal commands that were directed towards him. I ran towards Sergeant Nosworthy who was crouched at the rear of a white pick-up truck with his taser drawn. I got into a crouching position so I could see the suspect. I could hear the sound of tasers being discharged around me. From my vantage point, it appeared that any attempts to tase the suspect were ineffective.

Almost immediately I saw the suspect reaching for a pistol that was under his body. I would catch clear glimpses of the pistol as it would appear then disappear back under his body. The suspect was able to move the pistol out from under his body towards his left side and within his reach. I observed the suspect reach for his pistol. He fumbled with it for a brief moment before he was able to get his hands on the grip and gain full control of the pistol. I yelled something to the effect of "DROP IT! DROP IT! DROP IT!" The suspect then began to turn the pistol in his left hand. The barrel of the pistol began to turn towards me in my crouched position. The barrel of the pistol continued turning towards me. Right as the barrel was to the point where the suspect could shoot and kill me, I fired one shot at him to stop him from murdering me.

The suspect screamed and then went perfectly still. I believed I hit him and the threat was over. Other officers cautiously approached the suspect and took him into custody. I saw them bring the suspect towards emergency medical personnel who I believe had been staged nearby.

I removed myself from the immediate scene and waited for further instructions. My body worn camera, which was functioning during my interaction with Mr. Madden that day, will be submitted to the Court in Defendants' Joint Appendix (Dkt. No. \_\_ ) as Exhibit 1-A.

VERIFICATION

I, Jason Gribbon, state under penalty of perjury that the foregoing is true and correct.

Executed on 3-17-2022.

### SYNOPSIS OF SHOOTING BASED ON THE WITNESS ACCOUNT:

On May 28, 2019, at approximately 8:00pm, officers were dispatched to a mental health (46A) man with a gun at 7525 C.F. Hawn Freeway. On arrival officers observed an unidentified black male under a parked van holding a pistol. Officers gave the subject verbal commands to drop the weapon and crawl out from underneath the van which the subject ignored. Several attempts to communicate with the subject failed and officers tased the subject twice which appeared to have no effect. The subject continued to roll underneath the vehicle displaying the weapon and Officer J. Gribbon #10116 discharged his weapon one time toward the subject. The subject began to crawl from the vehicle and officers were able to place the subject into custody. Officers attempted to provide first aid and could not find a defect on the subject. The subject appeared to be having a medical emergency from the ingestion of an unknown substance and was transported to Baylor Hospital by DFR for medical attention.

A black handgun believed to be the subjects was recovered at the location. Dash cam video and body worn camera video was reviewed at the scene and at SIU. Witness officers provided a walk through and reported to SIU and wrote statements. The involved officer was requested to provide a walk-through, provide a blood specimen, and write a statement which was declined through his attorney at the scene. The involved officer agreed to report to SIU on Friday, May 31, 2019 to provide a written statement.

The subject did not have any identifiers on his person and is being fingerprinted at the hospital. The subject was sedated at the hospital by medical staff and could not be interviewed. The subject remains in critical condition.

No officers were injured during the incident. The subject will be charged with Aggravated Assault.

This is an on-going investigation.

**Narrative Information**

May 28th, 2019 at approximately 7:50 p.m. Complainant Madden walked onto the property of Witness Mitchell at 7525 C F Hawn Freeway,

**Incident Report**

Case Number 111841-2019		CAD Incident # 19-1010517
Report Type Incident Report		Page 4 of 4
Date / Time Occurred 5/28/2019 19:50:00 to 5/28/2019 19:50:00		Date / Time Reported 6/4/2019 10:19:00

wearing only shorts and socks and holding a handgun. Complainant Madden pointed the handgun at Witness Mitchell, and then racked the slide causing a live bullet to eject from the gun. Complainant Madden then picked up the live bullet and placed it back in his gun. Witness Mitchell, who was in fear for his safety, then took a handgun from his person and pointed it at Complainant Madden. Complainant Madden responded by holding his own gun against his neck and then crawled underneath a white van that was parked in the parking lot. Witness Mitchell called 911.

Dallas Police Officers T. Foster#11272 and D. Nelson#11280 responded to the call for police and upon arrival observed Complainant Madden underneath the white van holding a handgun. Sgt. D. Nosworthy#5882 and Officers O. Arias#10849, L. Fillmore#11467, S. Mulrenan#10988, J. Rayas#10984, M. Rushing#9694, and Suspect Dallas Police Officer J. Gribbon#10116 arrived shortly after. Complainant Madden refused Officers verbal commands to drop the handgun and come out from underneath the van. Officer Foster and Sgt. Nosworthy had their Tasers drawn, while other Officers had their service weapons, rifles, or 40mm gun out. Officer Foster used his Taser in an attempt to get compliance from Complainant Madden, within seconds Sgt. Nosworthy also deployed his Taser. The Taser did not appear to have much if any affect on Complainant Madden. Almost instantaneously with Sgt. Nosworthy's firing his Taser, Suspect Officer Gribbon fired his service weapon one time at Complainant Madden. After Suspect Officer Gribbon fired his weapon, Officer Foster was able to grab Complainant Madden by his leg and drag him out from underneath the van. Officer Foster grabbed Complainant Madden's hand with the gun in it and disarmed him. Several other Officers then assisted Officer Foster in taking Complainant Madden into custody.

Complainant Madden was then transported to Baylor Hospital.

PLEASE ASSIGN THIS OFFENSE TO DET. BILLINGS#7626 AT SIU.

PROSECUTION REPORT Dallas Police Department	DIVISION/SECTION CID-SIU	SUMMARY	INCIDENT # 106952-2019
--	-----------------------------	---------	---------------------------

52. SUMMARY:

On May 28<sup>th</sup>, 2019 at approximately 7:50 p.m. Complainant Mitchell Wallace was the victim of Aggravated Assault with a Deadly Weapon at 7525 C.F. Hawn Freeway Dallas, Dallas County, Texas.

On May 28<sup>th</sup>, 2019 at approximately 7:50 p.m. Complainant Mitchell Wallace was at his business, 5 Ponies Truck Sales, with Witnesses Linda and Alexandria Wallace. Suspect Rashad Madden walked onto the property through an open gate holding a handgun. Suspect Madden pointed the handgun at Complainant Wallace as Witnesses L. Wallace and A. Wallace ran inside the building. Suspect Madden was pointing the gun at Complainant Wallace putting him in fear for his life. Suspect Madden then "racked" the slide of the gun, ejecting a live round from it. Suspect Madden then picked up the bullet and placed it back inside his gun. Complainant Wallace then pulled out his own gun and pointed it back at Suspect Madden. Suspect Madden then held his own gun to his neck threatening to kill himself. Suspect Madden then crawled underneath a white van that was parked in the parking lot while holding the gun to his neck.

Complainant Madden and Witness L. Madden both called 911 for police. Dallas Police Officers Thomas Foster#11272, Dylan Nelson#11280, Jason Gribbon#10116, Matthew Rushing#9694, Sgt. Dudley Nosworthy#5882, Sean Mulrenan#10988, Jose Rayas#10984 and several others responded to the call for police. Upon arrival Officers found Suspect Madden underneath the white van still holding the handgun. Officers gave Suspect Madden loud verbal commands to drop the gun and come out from under the van but Suspect Madden ignored their requests. Suspect Madden continued to roll back and forth while holding the gun, recklessly pointing it in different directions. Officer Foster#11272 was able to get close enough to Suspect Madden on one side of the van, while Sgt. Nosworthy#5882 and Officer Gribbon#10116 were on the opposite side of the van. Other Officers had taken up positions in front of the van. Officer Foster fired his Taser towards Suspect Madden's back area as he rolled under the van. Sgt. Nosworthy then fired his Taser towards Suspect Madden from the other side of the van. Officer Gribbon could see from his position that Suspect Madden was not reacting to the Tasers and he was rolling towards Sgt. Nosworthy and himself pointing the gun in their direction. Officer Gribbon fearing for his and Sgt. Nosworthy's safety fired his handgun one time at Suspect Madden, missing him and striking the right front wheel well of the van. Suspect Madden then rolled back towards Officer Foster after the gunshot. Suspect Madden rolled close enough to Officer Foster so that Officer Foster could grab him and pull him out from underneath the van. Officer Foster then grabbed Suspect Madden's hand which was still holding the handgun. Other Officers then rushed in to assist Officer Foster in taking Suspect Madden into custody. Suspect Madden appeared to have an adverse reaction to drugs and was taken to Baylor Hospital by Dallas Fire and Rescue.

Complainant Wallace and Witnesses L. Wallace and A. Wallace were brought to Dallas Police Headquarters where they all gave recorded statements of the above documented chain of events.

STATE OF TEXAS §

COUNTY OF DALLAS §

The undersigned Affiant, being a Peace Officer under the laws of Texas and being duly sworn, on oath makes the following statements and accusations:

My name is Detective Brewster Billings, #7626. I am a Police Detective assigned to the Criminal Investigation Division, Special Investigations Unit, of the Dallas Police Department:

I am presently investigating the Aggravated Assault offense against Mitchell Wallace, hereafter referred to as the Complainant, which occurred May 28<sup>th</sup>, 2019 at approximately 7:50 p.m. at 7525 C F Hawn Freeway, Dallas, Dallas County, Texas. This offense is documented on Dallas Police case#106952-2019

On May 28<sup>th</sup>, 2019 at approximately 7:50 p.m. Suspect Rashad Madden walked inside the gate and onto the property at 7525 C F Hawn Freeway (Five Ponies Truck Sales) holding a handgun. Suspect Madden was pointing the handgun at Complainant Wallace in a threatening manner. At first Complainant Wallace did not believe that the Suspect's gun was real, until Suspect Madden "racked" the slide and a live round popped out of the gun. When Complainant Wallace realized that the Suspect was pointing a real gun at him, he pulled his handgun out of his clothing and pointed it at Suspect Madden. Suspect Madden then held his own gun to his own neck and threatened to kill himself. Suspect Madden then got on the ground and crawled under a white van that was parked inside the lot. Complainant Wallace called 911 and Dallas Police responded.

Dallas Police Officers Jason Gribbon#10116, Matthew Rushing#9694, Thomas Foster#11272, Dylan Nelson#11280, Sean Mulrenan#10988, Jose Rayas#10984, and Sgt. Dudley Nosworthy#5882 responded to Witness Wallace's call for police. Upon arrival Officers found Suspect Madden underneath the white van with a gun in his hand. Suspect Madden was rolling back and forth and moving the gun (at times having it pointed at Officers). Officers continued to give Suspect Madden loud verbal commands to drop the gun and show his hands but Suspect Madden refused these instructions. Officer Foster was able to use his Taser and fire it striking Suspect Madden. Suspect Madden was given several "rounds" from the Taser but it did not have much effect. Sgt. Nosworthy, (who was standing near Officer Gribbon), fired his Taser at Suspect Madden and almost instantaneously Officer Gribbon fired his service gun one time at Suspect Madden. Sgt. Nosworthy's Taser did strike Suspect Madden but had no effect. Officer Gribbon's gunshot missed Suspect Madden. When the gunshot missed, Suspect Madden moved away from Officer Gribbon and Sgt. Nosworthy. Officer Foster was then able to grab ahold of Suspect Madden and pull him out from under the van. Officer Foster then grabbed Suspect Madden's hand with the gun in it and was able to disarm him. Officers were able to handcuff Suspect Madden and take him into custody. Suspect Madden had "foam" around his mouth and appeared to be in medical distress. Officers checked Suspect Madden for possible gunshot wounds and did not find any. Suspect Madden was then transported to Baylor Hospital by Dallas Fire Rescue.

Suspect Madden was nonresponsive at the Hospital, with an erratic heartbeat. Suspect Madden was intubated and admitted to the Hospital.

I have spoken to members of the forensic biologist team at the Southwestern Institute of Forensic Sciences in Dallas County, it has been relayed to me that they can test blood evidence collected from the Suspect and test it for illegal drugs or intoxicating chemicals. The Southwestern Institute of Forensic Sciences can test blood samples collected through a blood draw of Suspect Madden's blood for intoxicating chemicals and illegal drugs. It also requested that a Buccal Swab of Suspect Madden's DNA for comparison testing to DNA recovered from the Suspect's handgun (Hi-Point .380 serial#P8050040).

Accordingly, as an investigating detective in this case, I wish to obtain a preserved blood draw sample taken at Baylor Hospital from **Suspect Rashad Madden B/M** [REDACTED] for drug analysis testing, as well as a DNA Buccal Swab from Suspect Rashad Madden, all in accordance with accepted medical practices. These samples will be submitted to the Southwestern Institute of Forensic Sciences in Dallas County for analysis and be compared to different evidence collected at various crime scenes.

WHEREFORE, the undersigned Affiant asks for issuance of such search warrant.

SEARCH WARRANT

STATE OF TEXAS §

COUNTY OF DALLAS §

THE STATE OF TEXAS, to the Sheriff or any Peace Officer of Dallas County, Texas or any Peace Officer of the State of Texas,

GREETINGS:

WHEREAS, the Affiant whose signature is affixed to the Affidavit attached hereto did heretofore this day subscribe and swear to said Affidavit before me (which said affidavit was attached to this Warrant at the time the Warrant was issued and is by this reference incorporated herein for all purposes), and whereas I find that the verified facts stated by Affiant in said Affidavit show that Affiant has probable cause for the belief he expresses herein and establish the existence of proper grounds for the issuance of this Warrant:

NOW, THEREFORE, you are commanded to go to the accused person named in said Affidavit:

**Madden, Rashad, Akeem B/M/ [REDACTED]**

and obtain a preserved Blood Draw and Buccal Swab as described in said Affidavit in accordance with accepted procedure.

HEREIN FAIL NOT, but have you then and there this Warrant within three days, exclusive of the day of its execution, with your return thereon, showing how you have executed the same.

ISSUED AT 2:20 o'clock P.m on this the 24 day of May, 2019, to certify which witness my hand this date.

BEFORE ME, Detective Brewster Billings#7626, on this day personally appeared Jason Gribbon#10118 Who, after being by me duly sworn, on oath deposes and says:

On May 28, 2019, I was working my regularly assigned patrol shift. I was in full uniform and working with my partner, Police Officer Matthew Rushing #9694. Officer Rushing was driving a fully marked black and white Dallas Police Department squad car. I was riding in the front passenger seat.

At approximately 7:55PM, Officer Rushing and I were just finishing up a disturbance call near the 1400 block of Robert B. Cullum Boulevard when a Priority 1 crisis intervention call came out over the radio. The call notes indicated that the subject was armed with a pistol, was pointing it at his throat, and was upset about something to do with his daughter.

Because this was a Priority 1 call, we responded to the call location with lights and sirens. Our activation of the lights and sirens should have caused our in-dash camera to begin recording. I also recall manually turning on my body camera as we were driving to the call location. Other officers arrived at the call location ahead of us. I heard one of those officers relay that the suspect was inside a vehicle with a Hispanic or white female with blonde hair. I began to get concerned that this situation could turn into a barricaded person with a hostage.

Moments later Officer Rushing and I arrived at the call location. I jumped out of the car at the intersection of EB CF Haun service road and Murdeaux. I ran towards an opening in the fence of the Five Ponies truck sales yard towards other officers.

Shortly after I came through the fence, I heard Sergeant Nosworthy yell out for all of the officers to get behind cover. I ran towards Sergeant Nosworthy who was crouched at the rear of a white pick-up truck with his taser drawn. I got into a crouching position so I could see the suspect. I could hear the sound of tasers being discharged around me. From my vantage point, it appeared that any attempts to tase the suspect were ineffective. Almost immediately I saw the suspect reaching for a pistol that was under his body. I would catch clear glimpses of the pistol as it would appear then disappear back under his body. The suspect was able to move the pistol out from under his body towards his left side and within his reach. I observed the suspect reach for his pistol. He fumbled with it for a brief moment before he was able to get his hands on the grip and gain full control of the pistol. I yelled something to the effect of "DROP IT! DROP IT! DROP IT!" The suspect then began to turn the pistol in his left hand. The barrel of the pistol began to turn towards me in my crouched position. The barrel of the pistol continued turning towards me. Right as the barrel was to the point where the suspect could shoot and kill me, I fired one shot at him to stop him from murdering me.

he suspect screamed and then went perfectly still. I believed I hit him and the threat was over. Other officers cautiously approached the suspect and took him into custody. I saw them bring the suspect towards emergency medical personnel who I believe had been staged nearby.

I removed myself from the immediate scene and waited for further instructions.

Who, after being by me duly sworn, on oath deposes and says:

I officer Mark Ayala 11228 was at the Southeast Substation on duty in uniform typing a report in the detail room with my partner S. Garcia 10929. I was listening to the radio when I heard the Sgt yell to keep the radio clear. Moments later we heard an officer yell shots fired. We then ran out to the patrol car and drove code 3 to the scene in assist the officers. On arrival we were instructed block off the nearest street so traffic would not pass through. After blocking off the street we walked to the scene to check on the other officers and make sure everybody was ok. I did not fire my duty weapon on the scene. While walking up to the scene I saw the suspect lying on the ground with two taser prongs in his left side of his torso and I did not see any blood coming from the suspect's body. Officer S. Ortiz 10693 told me to go into the back of the ambulance with Officer K. Yeatman 10695. Officer S. Garcia 10929 rode in the back of the ambulance since I was driving. When the ambulance left the scene I followed them to Baylor hospital along with Officer S. Ortiz 10693. We arrived at Baylor Hospital where we stayed by the suspect's side until we received relief from two other officers so we could go home and end our shift. I have not been issued a city body camera at this time.

Who, after being by me duly sworn, on oath deposes and says:

On Tuesday 5/28/2019 at approximately 7:55PM I Officer K. Yeatman #10695 was element C346 with my partner S. Ortiz #10693. We were leaving the Baylor Street Property room when we began to respond to a CIT with an ambulance call at 7525 C F Hawn Serv EB due to the comments saying that the Suspect was armed with a pistol pointing it at himself and that we had a ballistic shield in our trunk which could be helpful to the call. While enroute to the call going code 3 the dispatcher attached us to the call sheet and I believe I heard in the radio traffic our Sergeant, SGT Nosworthy #5882 coming over the radio ensuring our element was enroute.

Upon arrival I observed the Suspect being carried out in handcuffs by Officers however I am not sure who was carrying him out and do not recall whether the Suspect was alert or not. The suspect was wearing shorts and no shirt, had some white foam around the corner of his mouth and appeared slightly dirty. The Suspect was placed in the back of a DFR ambulance within a short time of being brought out to the sidewalk. The ambulance crew appeared to be prepping the Suspect and after they were complete Myself and Officer S. Garcia #10929 rode in the back of the ambulance while my partner Officer S. Ortiz #10693 followed in patrol vehicle #100065 and S. Garcia's partner M. Ayala # 11228 follow in their patrol vehicle.

While enroute to the hospital the Suspect was unresponsive and had his eyes open. I do not recall the suspect blinking at all during this ride. DFR transported the Suspect going code 3 to Baylor hospital where he was originally placed in room B17, then T3, and then to the Roberts building room 708. The Suspect did not have any identification on him so the hospital staff gave him a pseudonym name of Kappa, Eighteen with a date of birth 1-1-1901. While at the hospital the staff advised me he was in critical condition and that there main concern was the Suspect's heart.

I did not discharge my weapon and we were still enroute to the call when it was announced that a shot had been fired. I do not have a BWC issued and therefore have no BWC video.

I, Sergeant Dudley Nosworthy II, #5882, responded to a Sig 46A, B/M with a gun to his head stating he was going to kill himself, located at 7525 CF Hawn Frwy. Upon my arrival Officers Nelson and Foster were pulling into the business parking lot. I exited my patrol car and observed a B/M subject lying in the prone position under a white van with his feet to my near side in the parking lot. I initially upholstered my duty weapon but then re-holstered my weapon and drew my Taser. I took up a prone position in front of the van and began to laze the suspect with my Taser. Not having a clear body shot I moved to my left and took up a kneeling position from the corner of white pick-truck which gave me a better view of the suspect and a direct line of fire. Officer Foster was on the other side of van. Officer Foster was in a combative dialogue with the suspect who made several suicidal threats while holding a pistol in his hands. Several times during this dialogue the suspect rolled to his left and right and manipulated the pistol telling us to kill him. As cover officers were arriving I requested an officer who I knew to have a ballistic shield to respond to the location. Prior to the shield arriving Officer Foster was able to discharge his Taser at the suspect which appeared to have to effect on the suspect. It was at this time I had a clear shot to discharge my Taser at the suspect. Once I discharged my Taser, I was unsure if both probes connected because there was no reaction by the suspect. I made the decision to install my second cartridge and it was during that process I heard a single shot from Officer Gribbon who was on my right side. Once Officer Gribbon fired, several other cover officers were able to approach the suspect from Officer Foster's side of the van, secure the weapon he was holding and place him into custody. DFR arrived at the location and transported the suspect to Baylor Hospital. Prior to the suspect being to the transported to the hospital, the Taser probes were removed from the suspect and secured at the scene. I made notifications we had an Officer Involved Shooting to my Chain of Command and contacted Communications for appropriate resources. I took control of the scene until those resources arrived. At no time did I fire my duty weapon. NFI

On 05-28-2019 at about 9:00 pm I, Jay Dickson, was contacted by Sgt Mata who informed me that Jason Gribbon was involved in an Officer Involved Shooting and he had requested me as a companion officer. I called Officer Gribbon to ask if he was ok, and to get the address to the incident. I responded to the incident location and then called officer Gribbon's wife to tell her that he was ok and that I was with him. I stayed with Officer Gribbon until he was released from the scene and then took him to his personnel vehicle. I followed him home to ensure he made it safely. At no point during the time I was with Officer Gribbon did we discuss anything about the incident.

Who, after being by me duly sworn, on oath deposes and says:

On 5-29-2019 myself and T. Foster #11272 responded to a signal 46A, call comments stated that a man had a gun to pointed at his head. Upon arrival to the car lot we could see the suspect underneath a van and at the point I could see a handgun in his hand. The suspect was squirming underneath the van as i approched, I then stood directly behind the van where i could only see his feet and legs and no longer see his head or arms. Sgt Nosworthy was on my left and had his tazer out. At that time went back to my squad car to pull it forward to provide hard cover. At that point as I stepped out of my squad car several other officers had arrived on scene. I stood directly behind the van again. My partner was directly behind the right rear tire of the van. Verbal commands were givin and i could hear my partner fire his taser and then say taser taser. The taser shot from my point of view it appeared to have no affect on the suspect. Then a second taser and a gun shot went off to my left side where sgt nosowrthy and other officers were. My partner then began pulling the suspect out from underneath the van. I holstered my weapon and ran up in between the vans on scene to assist. I was able to hold one arm of the suspects while my partner Foster was able to get the gun free from the suspect. Officer Rayas who stood on my left assisted me by grabbing the suspects other arm and we were able to put handcuffs on him. We then began to carry him from between the two vehicles and out side the gate of the buisness and set him in a recovery position in the grass while we waited for DFR. The suspect was checked and had not been shot by a handgun but had several taser probs in him. I then assisted the suspect onto the gurney and asked DFR to remove the taser probs and i placed them in a property bag. The DFR individuals then loaded him into the back of the ambulance and they left the location. I was in full uniform at the time of the incident and at no time did i fire my duty weapon or taser. I also do not have body cam footage of the incident.

I, Thomas Foster, #11272 was working Southeast patrol third watch in full Dallas Police uniform, with my partner Officer Dylan Nelson #11280 on Tuesday May 28, 2019. We responded to a 46-A, the comments mentioned that a man was holding a gun to his head and was crawling under a van. When I arrived on scene I observed a black male underneath a van which was parked with its front facing me. I crouched behind the front driver's side wheel and could see the arrested person holding a black handgun. I made contact with the arrested person and gave verbal commands to drop the gun. I observed that the arrested person was foaming from his mouth and was screaming incoherently about his daughter. I gave verbal commands to drop the gun, which the arrested person refused to do. Seeing that he would not comply I attempted to talk the arrested person down. He stated that he needed to protect his daughter, but his syntax and statements were incoherent. When I asked if he had taken anything today the arrested person stated that he had taken cocaine. The arrested person then put a black pistol that he had been holding in both hands under his chin and began screaming that he would kill himself and for police to kill him. I was still attempting to get him talking, but then I could hear what sounded like the arrested person racking the gun, and then he stated he had just put a bullet in the chamber and that he would kill us if we did not kill him. He then rolled with his back to me so that he faced the other officers who were to my left, and then I could no longer see his hands. I heard the pop of what I thought to be a taser discharge and the arrested person rolled back onto his stomach began to try to crawl away with the pistol still in his hands. He put his back to me again and I drew my taser and discharged it into his back and gave verbal commands to drop the gun. The arrested person did not comply, and continued to crawl away. I repeated my verbal commands to the arrested person to drop the gun and he did not comply and I tazed him again. Two more times he continued to crawl away, refusing to comply with my verbal commands to drop his weapon. He was now close to being able to get out from under the van so I grabbed him as he was crawling holding the gun underneath his chest and was able to place one arm behind his back, which I handed to my partner D. Nelson #11280 and then I was able to recover his weapon from his other hand that was still beneath his chest. I handed the weapon off and then we carried the arrested person out for DFR. I then waited at the scene until ordered to report to SIU. At no time did I fire my duty pistol.

On 05/28/2019 at approximately 8:03 pm I, Officer Rayas, Jose 10984 responded to a signal 46 CIT (Person in Crisis call) at 7525 CF Hawn Serv Eb. I was in full Dallas police uniform and I did not have a body worn camera. My partner Mulrenan, Sean #10988 and I, were traveling from Pemberton Hill Rd towards the call location. As we were driving to the scene my partner and I were discussing that he was going to grab his patrol rifle and I was going to grab the stinger upon arrival. When my partner parked the car we jumped out I grabbed the stinger that was checked out today by him. I proceeded to load a round in the stinger as I was running up to the scene. I recall taking a knee next to Officer Nelson #11280. Sgt Nosworthy #5822, Officer Gribbon # 10116 and my partner S. Mulrenan #10988 were on my left side next to a white pickup. Officer Foster # 11272 was standing next to the suspect who was underneath a white van. I then heard officers giving the suspect commands, to show his hands. I then recall hearing Sgt. Nosworthy's #5882 Taser going off along with Officer Foster 's #11272 Taser. Shortly after the Tasers went off I heard a gunshot go off. I looked over and see that the only person on the side that I heard the round come from with a pistol was Officer Gribbon # 10116. I then observed Officer Foster #11272 grab the suspect and begin to wrestle with the susp and try to get him in handcuffs. I ran over to Officer Foster #11272 was and began to help get the suspect in handcuffs along with Officer Nelson # 11280. I didn't see the weapon that the suspect had on his person, until it was taken from underneath where the suspect was and was handed off to an officer that wasn't on the suspect, so to that it could be made safe. I then helped pick the suspect up and took him outside of the business so that he could be taken to get medical treatment. When he was outside we sat him up until DFR took over and accessed the suspect and they transported him to the hospital. I remained at the scene until SIU detectives showed up at the scene. At no time did I fire my weapon.

BEFORE ME, Cayce Shelton, #7760, on this day personally appeared Officer Sean Mulrenan, #10988  
Who, after being by me duly sworn, on oath deposes and says:

On May 28, 2019, I, Officer Sean Mulrenan, #10988, was working in my full Dallas Police uniform as element C323 with Officer Jose Reyes, #10984. I have BWC footage of a portion of the incident. I was driving marked police vehicle number 140016 when a 46A came out with an individual with a gun to his head at 7525 C F Hawn Serv Rd EB. My partner and I cleared off of the call that we had arrived on and asked dispatch to be added to the 46A. My partner and I activated our emergency equipment and proceeded to run code three to the call location. While enroute to the call location my partner and I discussed that he would grab the 40mm Stinger out of the trunk and I would grab my patrol rifle. Upon arriving at the call location my partner grabbed the 40mm stinger and I grabbed my patrol rifle and ran toward the front of the business. While running toward the front of the business I observed my supervisor, C330, Sgt. Nosworthy #5882 running toward the business. Upon entering the front gate of the business I took up position on the left side of the parking area on the right hand side of Sgt. Nosworthy and Sr. Cpl. Gribbon #10116. The only portion of the suspect that I could see were his feet, legs, and butt. I moved slightly to the left to get a better look at the suspect to try and identify the firearm but all I could see what the left side of his upper body with his left arm tucked up underneath his chest. Officers were giving the suspect loud verbal commands to show his hands which the suspect refused to do. Off to my left I heard an officer (Officer Foster #11272) say "taser taser", then heard the pop of the taser. A second later Sgt. Nosworthy, off to my left, deployed his taser. Immediately after Sgt. Nosworthy deployed his taser, I heard Sr. Cpl. Gribbon fired one round from his service weapon. At this point I could not tell if the suspect was hit from the gunshot or not. After the gun shot I could still hear tasers going off and observed the suspect start to crawl toward the back of the van that he was underneath, while officers were still giving loud verbal commands to show his hands and drop the weapon. I heard several officers yell Fosters name, it was then that I identified that the officer in between the vans giving verbal commands was Officer Foster. I moved back over to the right while officers on my right side converged in on Officer Foster as he went to grab the suspect. Due to the amount of officers in between the two vehicles I stayed back as to not add to the crowd. After the firearm was removed from the suspect cleared, passed back and the suspect was placed into handcuffs, several officers carried the suspect out to the service road to wait for the ambulance that was staged down the road. Not knowing if the suspect was shot or not I ran back to my squad car got my first aid kit and ran back to where officers had placed the suspect down in the recovery position and began searching for any gun shot wounds. While all this was happening other officers had call for DFR to move up to the scene. Myself and other officer conducted a sweep of the suspect and did not find any gun shot wounds. After this point DFR Rescue element had pulled up and began to check on the suspect. I then remained at the scene and secured the crime scene until ordered to report to SIU. At no time did I fire my service pistol or rifle.

I ran and got cover to the front of the truck nearest to the suspect. PO Foster was attempting to pull the suspect out from the bottom of the van, while the suspect had a gun in his hands. I saw the suspect point the gun in PO Foster's direction and fumble around with the gun in his hands. I heard Senior Corporal Gribbon shoot towards the suspect. Immediately after everyone ran to where PO Foster was at to help him with the suspect. PO Foster had taken the weapon away from the suspect. I took the weapon from Foster and cleared it, there was round in the chamber. I saw the magazine on the ground and it also was empty. I was in full police uniform with badge and did have a body camera. At no time did I fire my weapon.

On May 28, 2019, I, Officer Lucas Fillmore, #11467, was working in full Dallas Police uniform as element C321, with Officer Oscar Arias, #10849. I do not have a BWC. I was driving marked police vehicle 140050, when we responded to a 46A(CIT with ambulance) call at 7525 CF hawn service road EB. While driving to the call location we saw the comments on the callsheet that said there was a man with a gun pointing it at his own head. Upon arriving to the location I first saw Sgt. Nosworthy by a truck on the left side of the vehicle that the suspect was under with his taser drawn who told us to take cover the suspect has a gun. I then saw Officer Foster crouched to the right side of the van, which I then saw the suspect had crawled under, with his taser drawn giving commands to the suspect to drop the weapon. I could see Officer Foster with the trigger pulled on the taser and the suspect tense up while under power then start to move around again after the power shut off. I then placed myself in a prone position directly to the 6 O'clock of the suspect with my service weapon drawn providing hard cover while giving myself a clean shot with no officers on the opposite side where my bullets would be going. I continued to see the suspect moving around under the vehicle but could not see a weapon. I heard the suspect yell "I'm going to kill you all". I continued to see the suspect being tased and heard an officer say "taser taser", I then heard a gunshot from my left hand side where I had earlier seen Sgt Nosworthy, but I was unsure who fired the shot. Moments after the shot I saw Officer Foster reach under the van and grab the suspect, at which time I went around the vehicle and came from behind and assisted Officer Foster to pry the gun out of the suspect's hand. The gun was then passed to another officer to clear and I held onto the suspect's left hand and put it behind his back to be placed in handcuffs. The suspect was then carried out to the grass and checked for wounds and then passed off to DFR. I remained at the scene until ordered to report to SIU. At no time did I fire my pistol.

On May 28, 2019, I, Officer William Parker, #10612, was working in my full Dallas Police uniform, as element C311. I have BWC footage of my involvement in this incident. I was driving marked police vehicle 140112 when I was dispatched to a CIT with an ambulance call. The call comments were that a black male was holding a gun to his head and threatening to kill himself. I responded code 3 to the call location and once on scene went to trunk of my squad car to retrieve my stinger 40mm launcher. Once I began to move from my squad car toward the suspect I heard one gun shot. I then switched from the stinger to my handgun and moved toward the lead squad car and took cover on the rear passengers side of the trunk. When I saw the officers that were staged up to the left of me move toward the suspect, who was under a white passenger van, I too moved toward the suspect. The area between the van the suspect was under and the other van next to it and did not allow room for multiple officers to take the suspect into custody, causing me to move around to the rear of the vehicles in order to assist in gaining control of the suspect. Once I reached the suspect I noticed officers were struggling to gain control of the suspect and that his feet were not being restrained. I grabbed both feet and maintained control of them throughout the arrest. We then carried the suspect to a clear area for DFR to respond to the suspect. I checked the suspect for any major injuries as well as weapons and only observed taser prongs in his upper torso, and cuts and scrapes to his torso and legs. The suspect was then loaded into an ambulance and transported to Baylor Medical Center. At no time did I fire my weapon.

**Narrative Information**

On May 28, 2019 Crime Scene Response Section (CSRS) Manager II Maurice Thomas (Badge# T177) and Crime Scene Analyst (CSA) Julia Wayland (Badge# T235) responded to 7525 CF Hawn Service Road Eastbound in reference to an Officer Involved Shooting call. The Crime Scene Investigators were met by CSA Justin O'Donnell (Badge# T237) and advised on the scene.

**SCENE:**

The location is a car dealership located in a business neighborhood in southeast Dallas between North Murdeaux Lane and Greenhaven Drive. The car dealership sits on the south side of the street. Street, vehicle and building lights illuminated the area. A red colored metal fence enclosed the dealership and the dealership's parking lot. The incident occurred several feet to the south of the parking lot's entrance.

The area was guarded by several Dallas Police Officers.

**WORK PERFORMED:**

Manager II Maurice Thomas (Badge# T177) and CSA Julia Wayland (Badge# T235) utilized the Leica P30 3D Scan Station and obtained six scans of the crime scene. Manager Thomas completed a registered Model Space and TruView.

The Crime Scene Investigators deployed and operated the Leica Scan Station P30 (3D Laser Scanner Serial Number 1851620). The Crime Scene Investigators also used the National Institute of Standards and Technology (NIST) Twin Target Pole, Serial Number 625, to document the accuracy of the scanner. The Crime Scene Investigators gathered the data from six scans at the scene.

The computerized RAW scan data was stored in accordance with the CSRS SOP.

On 6/21/2019 Manager Maurice Thomas (Badge# T177) registered a complete and accurate Model Space. From the Model Space, Manager Thomas produced a TruView. "TruView" is an exportable viewer program that allows the user to view the scan data that was captured.

On 5/28/2019 at about 9:28 PM, Crime Scene Analyst (CSA) Mitchusson #T293, Crime Scene Manager (CSM) Thomas #T177 and CSA Wayland #T235 responded to Five Ponies Truck Sales located at 7525 C F Hawn Serv Eb regarding an Officer Involved Shooting on case #106952-2019.

Digital photographs were taken and processed in accordance with section's S.O.P.; a CD will be attached to this supplement.

**Officers at Scene:** Gribbon #10116, Rushing #9694, Parker #10612, Timms #8924 and Sgt. Nosworthy #5882

**Detectives at Scene:** Detective Billings #7626 and Detective Woodham #8394

**Observations:**

The listed location was the south corner of Murdeaux Ln. and the 7700 block of the C F Hawn Freeway.

Senior Corporal Jason Gribbon #10116 was wearing a Dallas Police Department uniform. A badge patch was on his left chest, a "Dallas Police" patch was on his back, a "Dallas Police Department" patch and double chevron patch were on his left sleeve and a double chevron patch was on his right sleeve. The following items were on his duty belt:

- Two (2) magazines in magazine holsters
- Taser in holster
- Firearm in holster
- Two (2) handcuffs in handcuff holsters
- Flashlight in holster
- Baton in holster
- Radio

White colored debris was also observed on his lower left pant leg.

With Dallas Police Association Attorney Zach Horn present, SC Gribbon #10116 unloaded his duty firearm. The firearm was a black "Glock" Model 31, .357 caliber pistol with serial #WRW915. A "Hornady 357 SIG" cartridge was in the pistol chamber and a "Glock" magazine was seated inside the pistol. CSA Mitchusson T293 unloaded the magazine and recovered fourteen (14) "Hornady 357 SIG" cartridges. The magazine could hold a total of fifteen (15) cartridges.

SC Gribbon's two (2) additional magazines were "Glock" magazines. CSA Mitchusson #T293 and CSM Thomas #T177 unloaded the magazines and recovered thirty (30) "Hornady 357 SIG" cartridges. Each magazine could hold a total fifteen (15) cartridges. SC Gribbon was not carrying a secondary firearm.

SC Gribbon's duty firearm and two (2) extra magazines were seized at the scene. Detective Billings #7626 requested a pistol, magazines and cartridges be sent to the Southwestern Institute of Forensic Sciences (SWIFS).

CSA Mitchusson #T293, CSA Wayland #T235 and CSM Thomas #T177 then utilized the Leica P30 Scan Station and obtained six (6) scans of the crime scene.

CSA Mitchusson, CSA Wayland and CSM Thomas deployed and operated the Leica Scan Station P30 (3D Laser Scanner Serial #1851620). CSA Mitchusson, CSA Wayland and CSM Thomas also used the National Institute of Standards and Technology (NIST) Twin Target Pole, Serial #625, to document the accuracy of the scanner. CSA Mitchusson, CSA Wayland and CSM Thomas gathered the data from the six (6) scans at the scene.

The computerized RAW scan data was stored in accordance with the CSRS S.O.P.

#### Items Collected:

1) "Glock" Model 31, .357 caliber pistol, serial #WRW915 from SC Gribbon #10116.

- One (1) "Hornady 357 SIG" cartridge from pistol chamber

On May 28, 2019 Crime Scene Response Section (CSRS) Manager II Maurice Thomas (Badge# T177) and Crime Scene Analyst (CSA) Julia Wayland (Badge# T235) responded to 7525 CF Hawn Service Road Eastbound in reference to an Officer Involved Shooting call. The Crime Scene Investigators were met by CSA Justin O'Donnell (Badge# T237) and advised on the scene.

**SCENE:**

The location is a car dealership located in a business neighborhood in southeast Dallas between North Mardeux Lane and Greenhaven Drive. The car dealership sits on the south side of the street. Street, vehicle and building lights illuminated the area. A red colored metal fence enclosed the dealership and the dealership's parking lot. The incident occurred several feet to the south of the parking lot's entrance.

The area was guarded by several Dallas Police Officers.

**WORK PERFORMED:**

Manager II Maurice Thomas (Badge# T177) and CSA Julia Wayland (Badge# T235) utilized the Leica P30 3D Scan Station and obtained six scans of the crime scene. Manager Thomas completed a registered Model Space and TruView.

The Crime Scene Investigators deployed and operated the Leica Scan Station P30 (3D Laser Scanner Serial Number 1851620). The Crime Scene Investigators also used the National Institute of Standards and Technology (NIST) Twin Target Pole, Serial Number 635, to document the accuracy of the scanner. The Crime Scene Investigators gathered the data from six scans at the scene.

The computerized RAW scan data was stored in accordance with the CSRS SOP.

On 6/21/2019 Manager Maurice Thomas (Badge# T177) registered a complete and accurate Model Space. From the Model Space, Manager Thomas produced a TruView. "TruView" is an exportable viewer program that allows the user to view the scan data that was captured.

**Autopsy Report**

**Case: IFS-19-13847 - ME**

**Decedent: Madden, Rashad Akeem** 29 years Black Male DOB: [REDACTED]

Date of Death: 07/28/2019 (Actual)

Time of Death: 10:38 PM (Actual)

Examination Performed: 07/30/2019 10:30 AM

Body Weight: 156 lbs BMI: 22.38

Body Length: 70 in

**ORGAN WEIGHTS:**

Brain: 1,440 g	Right Lung: 620 g	Right Kidney: 150 g
Heart: 380 g	Left Lung: 680 g	Left Kidney: 180 g
Liver: 1,150 g	Spleen: 150 g	

The autopsy was performed by Candace Schoppe M.D. The report was reviewed and completed by Jeffrey Barnard M.D.

**EXTERNAL EXAMINATION**

The body is identified by toe tags. Photographs, fingerprints, palm prints, and a full-body radiograph are taken.

Received unclothed is the body of a normally-developed, well-nourished, black man whose appearance is consistent with the given age of 29 years. The skin is diffusely icteric.

As received, the body measures 70 inches in length and weighs 156 pounds. The scalp has curly black hair that measures up to approximately ½ inch in length over the crown. The face has a trimmed mustache. The nose and facial bones are palpably intact. The eyes have brown irides with clear corneas. The conjunctivae are edematous and icteric. The oral cavity has natural teeth in fair repair and is atraumatic. The chest and back are unremarkable. The abdomen is flat. The external genitalia are of a normal, adult male, with the testes descending in the scrotum, bilaterally. There is marked edema of the foreskin and scrotum with superficial skin necrosis and ulcerations measuring up to 2 x 1 inches. The upper and lower extremities are developmentally normal, with all digits present. The upper and lower extremities have diffuse edema, erythema, and patchy skin necrosis, along with stocking and glove distal ischemia. On the legs, there are large debrided patches of skin, areas of geographic scarring, and several short fasciotomy incisions. The backs of the hands are extensively ulcerated and the acral skin is partially sloughed. Several fingernails are also easily removed from the nail beds. The toes are mostly black and desiccated. A 3 x 3 inch partially abraded pressure ulcer is on the occipital scalp, along with several areas of alopecia.

Case: IFS-19-13847 - ME

Page 2 of 7

**Madden, Rashad Akeem**

The body is well-preserved, unembalmed, and cold subsequent to refrigeration. Rigor mortis is absent and lividity is indistinct.

#### IDENTIFYING MARKS AND SCARS

Monochromatic black tattoos are on the upper left chest and bilateral upper arms.

The backs of the arms have numerous thin, pink linear scars (mostly consistent with scratch abrasions) with occasional scabs.

#### THERAPEUTIC PROCEDURES

Nasogastric and orogastric tubes are properly placed. A cuffed tracheostomy tube protrudes from the anterior neck. A vascular catheter is inserted into the left side of the neck. A dual lumen catheter is in the right subclavian region. Adhesive EKG leads are on the trunk. A triple lumen catheter is in the upper right arm. The left lower abdomen has a colostomy with attached bag. The legs are wrapped with bandages from the distal thighs to the feet. A plastic-tipped intravenous catheter is in the left wrist. A hospital identification band encircles the right wrist. Glue outlines are scattered over the trunk.

#### EVIDENCE OF INJURY

The right anterior chest wall has a  $\frac{3}{4} \times \frac{1}{2}$  inch hypopigmented scar with a central scab. A  $\frac{1}{2}$  inch linear scar is on the right lateral chest wall, with a surrounding white, geographic scar measuring  $\frac{3}{4} \times \frac{3}{4}$  inch.

Per medical record review:

Decedent arrived with a right pneumothorax, possible liver laceration, and right flank hematoma. No corresponding injuries can be identified on the skin or internally at the time of autopsy.

The forehead has multiple pink scars, ranging from 1 x  $\frac{1}{2}$  inch along the left central hairline to fine linear scratches measuring up to 2 inches in length. The scars are located over the forehead, along the nose, and on the chin and cheeks. Several of these areas overlap with locations of prior medical therapy.

---

These injuries, having been described once, will not be repeated.

#### EVIDENCE SUBMITTED

No evidence is collected.

#### INTERNAL EXAMINATION

**BODY CAVITIES:** The thoracic and abdominal organs are in their normal anatomic positions. The pleural and abdominal cavities each contain several liters of turbid tan-yellow fluid. An additional 150 cc of turbid fluid is in the pericardial sac.

**HEAD:** The scalp, subscalpular area, and skull are unremarkable. The brain is formalin fixed for further evaluation by Neuropathology.

**Madden, Rashad Akeem**

**NECK:** The soft tissue and prevertebral fascia are unremarkable. The hyoid bone and larynx are intact. The lumen of the larynx is not obstructed. The lingual mucosa is intact and the underlying musculature is free of hemorrhage.

**CARDIOVASCULAR SYSTEM:** The intimal surface of the aorta is free of atherosclerosis. The aorta and its major branches and the great veins are normally distributed and unremarkable. The pulmonary arteries contain no thromboemboli. The pericardium is thick, with scattered fibrin deposits. The epicardial surface of the heart is diffusely hemorrhagic and studded with multiple yellow-green to red-brown lesions and areas of necrosis. The cardiac valves have fibrin focally adhered to the mitral and tricuspid leaflets, as well as the aortic cusps. The myocardium has innumerable discolorations throughout the right and left ventricles. The left ventricle measures 1.6 cm and the right ventricle measures 0.3 cm.

**RESPIRATORY SYSTEM:** The upper airway is unobstructed. The laryngeal mucosa is hyperemic and focally ulcerated. The pleural surfaces are dull and covered in yellow-brown exudate. The major bronchi are filled with purulent material. The cut surfaces of the lungs show firm, atelectatic parenchyma with multiple infarcts and areas of consolidation.

**HEPATOBIILIARY SYSTEM:** The liver is covered by a dull, bosselated capsule. The parenchyma is gray-tan and firm, with multiple areas of geographic necrosis, most concentrated around the gallbladder fossa. The gallbladder contains approximately 1 cc of dark red bile. The mucosa is diffusely hemorrhagic. No calculi are present.

**GASTROINTESTINAL SYSTEM:** The esophageal mucosa is gray and denuded. The stomach contains approximately 100 cc of bloody liquid. There are no tablets or capsules. The gastric mucosa is diffusely hemorrhagic and flattened. The small and large intestines are slightly dilated and filled with bloody fluid. The mucosal surfaces are hemorrhagic and mostly sloughed. The appendix is present. The pancreas is covered in a yellow rind of saponified fat. The cut surface has hemorrhagic foci throughout the body and tail.

**GENITOURINARY SYSTEM:** The capsules of both kidneys strip with ease to reveal smooth and slightly lobulated surfaces. The cortices are pale and the medullary pyramids are blunted. The corticomedullary junctions are indistinct. The calyces, pelves, and ureters are unremarkable. The urinary bladder contains approximately 5 cc of turbid, brown urine. The mucosa is diffusely hyperemic. The prostate gland is unremarkable externally and upon sectioning.

~~**ENDOCRINE SYSTEM:** The thyroid and adrenal glands are unremarkable externally and upon sectioning.~~

**LYMPHORETICULAR SYSTEM:** The spleen is covered by a blue-gray, intact capsule with a large area of tan discoloration. The parenchyma is dark red with a firm, tan-yellow subcapsular infarct corresponding to the capsular discoloration described above. The cervical, hilar, and peritoneal lymph nodes are not enlarged.

**MUSCULOSKELETAL SYSTEM:** The clavicles, ribs, sternum, pelvis, and vertebral column have no fractures. A healing right thoracostomy incision is visible in the 4th intercostal space. The diaphragm is intact.

**BRAIN AFTER FORMALIN FIXATION****Gross description:**

Submitted for examination are the fixed brain, dura mater, and spinal cord. Examination of the dura reveals clotted blood in the meningeal sinuses. External examination of the brain reveals generalized flattening of cerebral cortical gyri. There is subarachnoid

**Case: IFS-19-13847 - ME****Page 4 of 7****Madden, Rashad Akeem**

hemorrhage over the right frontal lobe, and a hemorrhagic focus of softening in the left parieto-occipital region. The cerebellar tonsils are prominent and hemorrhagic. Coronal sections of the cerebral hemispheres, cross sections of the brain stem, and mid- and parasagittal sections of the cerebellum demonstrate blood in the lateral ventricles. The gray matter demonstrates a dusky appearance and the gray-white junction is obscured. There is a large hematoma measuring 4 x 2 x 2 cm in the left parietooccipital white matter, with hemorrhagic discoloration of the overlying cortex. External examination of the spinal cord demonstrates no localized softening. Cross sections of the spinal cord at 0.5 cm intervals demonstrates a 1 mm focus of hemorrhage in the central portion of the upper cervical spinal cord, and a second similar focus in the mid-thoracic spinal cord. Gross photographs are taken.

**Diagnosis:****Brain (autopsy):**

1. Organizing thrombus within dural venous superior sagittal sinus.
2. Patchy organizing necrosis, frontal border zone; and neuronal necrosis and reactive gliosis in hippocampal CA1 region, consistent with global hypoxic/ischemic damage.
3. Large, early organizing hematoma, left parieto-occipital region.
4. Recent subarachnoid hemorrhage, right frontal lobe.
5. Cerebellar tonsillar herniation with fresh parenchymal hemorrhage.
6. Recent hemorrhage, central portion of upper cervical and mid-thoracic spinal cord, with fungal hyphae in cord parenchyma.

#### NEUROMICROSCOPIC EXAMINATION

Light microscopy of a section of superior sagittal sinus demonstrates organizing intravascular thrombus. A section of right frontal lobe demonstrates patchy early organizing necrosis, and fresh subarachnoid hemorrhage. The left hippocampus demonstrates necrotic neurons and early reactive gliosis in CA1. There is non-specific reactive gliosis in the midbrain tectum. A section of cerebellar tonsil demonstrates fresh intraparenchymal hemorrhage, consistent with the effects of herniation. Sections of the left parieto-occipital hematoma demonstrates blood clot, and aggregates of foamy macrophages in surrounding parenchyma, consistent with early organization. Sections of cervical and thoracic spinal cord demonstrate organizing hemorrhage in the central portion of the cord; the cervical cord section also contains fungal hyphae within the region of hemorrhage.

GMS stain for fungus is performed on hemorrhage-containing sections of frontal lobe, parietal lobe, cerebellar tonsil, and cervical and thoracic spinal cord, and on dural venous sinus thrombus; only the sections of cervical and thoracic spinal cord demonstrate fungal hyphae in association with hemorrhage.

1. Erratic and suicidal behavior on 5/28/2019:
  - a. History the decedent was holding a gun and pointing it at other individuals and himself.
  - b. History of self- inflicted sharp force injuries to extremities.
2. History the decedent was Tased by police with several discharges.
3. History the decedent was handcuffed and escorted to a curb following being tased and became unresponsive approximately 5 minutes following taser discharges.
4. DFD records indicate the decedent had a GCS of 10 with stable heart rate and blood pressure.
5. Decedent initially conscious on arrival to emergency room.
5. History of psychiatric disease with one diagnosis of schizophrenia and another separate diagnosis of bipolar disorder.
6. Admission drug screen positive for cocaine, amphetamines, and cannabinoids with body temperature of 102.7.
7. Witnessed seizure in emergency department; requiring intubation.
- Two month hospital survival with:
  - a. Multiorgan system failure
  - b. Fungemia
  - c. Necrotic extremities
  - d. Intracerebral hemorrhage
  - e. Subarachnoid hemorrhage
- ~~9. History of pneumothorax identified in emergency room with no identifiable rib fractures by CT scan.~~
10. History of possible grade I liver laceration by CT scan ( not identified at autopsy).

**CONCLUSIONS:**

Based upon the autopsy and the history available to us, it is our opinion that Rashad Akeem Madden, a 29 year old black man, died from the toxic effects of cocaine and amphetamines. This superimposed on psychiatric disease likely exaggerated his bizarre behavior leading to a confrontation with the police during which he was tased by the police with several discharges. Following this he was responsive and walked to a separate area to await evaluation by paramedics where he became unresponsive after several minutes following taser discharge. On arrival by paramedics he maintained a stable heart rate and blood pressure although he was minimally verbal. While at the emergency room he suffered a seizure requiring intubation and deteriorated over a 2 month period with multiple complications ultimately causing his death. The etiology of the admission pneumothorax was unclear as there were no rib fractures identified by CT scan or autopsy.

The face has a trimmed mustache. The nose and facial bones are palpably intact. The eyes have brown irides with clear corneas. The conjunctivae are edematous and icteric. The oral cavity has natural teeth in fair repair and is atraumatic. The chest and back are unremarkable. The abdomen is flat. The external genitalia are of a normal, adult male, with the testes descending in the scrotum, bilaterally. There is marked edema of the foreskin and scrotum with superficial skin necrosis and ulcerations measuring up to 2 x 1 inches. The upper and lower extremities are developmentally normal, with all digits present. The upper and lower extremities have diffuse edema, erythema, and patchy skin necrosis, along with stocking and glove distal ischemia. On the legs, there are large debrided patches of skin, areas of geographic scarring, and several short fasciotomy incisions. The backs of the hands are extensively ulcerated and the acral skin is partially sloughed. Several fingernails are also easily removed from the nail beds. The toes are mostly black and desiccated. A 3 x 3 inch partially abraded pressure ulcer is on the occipital scalp, along with several areas of alopecia.

**Case: IFS-19-13847 - ME****Madden, Rashad Akeem**

The body is well-preserved, unembalmed, and cold subsequent to refrigeration. Rigor mortis is absent and lividity is indistinct.

#### IDENTIFYING MARKS AND SCARS

Monochromatic black tattoos are on the upper left chest and bilateral upper arms.

The backs of the arms have numerous thin, pink linear scars (mostly consistent with scratch abrasions) with occasional scabs.

#### THERAPEUTIC PROCEDURES

Nasogastric and orogastric tubes are properly placed. A cuffed tracheostomy tube protrudes from the anterior neck. A vascular catheter is inserted into the left side of the neck. A dual lumen catheter is in the right subclavian region. Adhesive EKG leads are on the trunk. A triple lumen catheter is in the upper right arm. The left lower abdomen has a colostomy with attached bag. The legs are wrapped with bandages from the distal thighs to the feet. A plastic-tipped intravenous catheter is in the left wrist. A hospital identification band encircles the right wrist. Glue outlines are scattered over the trunk.

#### EVIDENCE OF INJURY

The right anterior chest wall has a  $\frac{3}{4} \times \frac{1}{2}$  inch hypopigmented scar with a central scab. A  $\frac{1}{2}$  inch linear scar is on the right lateral chest wall, with a surrounding white, geographic scar measuring  $\frac{3}{4} \times \frac{3}{4}$  inch.

Per medical record review:

Decedent arrived with a right pneumothorax, possible liver laceration, and right flank hematoma. No corresponding injuries can be identified on the skin or internally at the time of autopsy.

The forehead has multiple pink scars, ranging from  $1 \times \frac{1}{2}$  inch along the left central hairline to fine linear scratches measuring up to 2 inches in length. The scars are located over the forehead, along the nose, and on the chin and cheeks. Several of these areas overlap with locations of prior medical therapy.

---

These injuries, having been described once, will not be repeated.

#### EVIDENCE SUBMITTED

No evidence is collected.

#### INTERNAL EXAMINATION

**BODY CAVITIES:** The thoracic and abdominal organs are in their normal anatomic positions. The pleural and abdominal cavities each contain several liters of turbid tan-yellow fluid. An additional 150 cc of turbid fluid is in the pericardial sac.

**HEAD:** The scalp, subscalpular area, and skull are unremarkable. The brain is formalin fixed for further evaluation by Neuropathology.

**Madden, Rashad Akeem**

NECK: The soft tissue and prevertebral fascia are unremarkable. The hyoid bone and larynx are intact. The lumen of the larynx not obstructed. The lingual mucosa is intact and the underlying musculature is free of hemorrhage.

CARDIOVASCULAR SYSTEM: The intimal surface of the aorta is free of atherosclerosis. The aorta and its major branches and the great veins are normally distributed and unremarkable. The pulmonary arteries contain no thromboemboli. The pericardium is thick, with scattered fibrin deposits. The epicardial surface of the heart is diffusely hemorrhagic and studded with multiple yellow-green to red-brown lesions and areas of necrosis. The cardiac valves have fibrin focally adhered to the mitral and tricuspid leaflets, as well as the aortic cusps. The myocardium has innumerable discolorations throughout the right and left ventricles. The left ventricle measures 1.6 cm and the right ventricle measures 0.3 cm.

RESPIRATORY SYSTEM: The upper airway is unobstructed. The laryngeal mucosa is hyperemic and focally ulcerated. The pleural surfaces are dull and covered in yellow-brown exudate. The major bronchi are filled with purulent material. The cut surfaces of the lungs show firm, atelectatic parenchyma with multiple infarcts and areas of consolidation.

HEPATOBIILIARY SYSTEM: The liver is covered by a dull, bosselated capsule. The parenchyma is gray-tan and firm, with multiple areas of geographic necrosis, most concentrated around the gallbladder fossa. The gallbladder contains approximately 1 cc of dark red bile. The mucosa is diffusely hemorrhagic. No calculi are present.

GASTROINTESTINAL SYSTEM: The esophageal mucosa is gray and denuded. The stomach contains approximately 100 cc of bloody liquid. There are no tablets or capsules. The gastric mucosa is diffusely hemorrhagic and flattened. The small and large intestines are slightly dilated and filled with bloody fluid. The mucosal surfaces are hemorrhagic and mostly sloughed. The appendix is present. The pancreas is covered in a yellow rind of saponified fat. The cut surface has hemorrhagic foci throughout the body and tail.

GENITOURINARY SYSTEM: The capsules of both kidneys strip with ease to reveal smooth and slightly lobulated surfaces. The cortices are pale and the medullary pyramids are blunted. The corticomedullary junctions are indistinct. The calyces, pelves, and ureters are unremarkable. The urinary bladder contains approximately 5 cc of turbid, brown urine. The mucosa is diffusely hyperemic. The prostate gland is unremarkable externally and upon sectioning.

ENDOCRINE SYSTEM: The thyroid and adrenal glands are unremarkable externally and upon sectioning.

LYMPHORETICULAR SYSTEM: The spleen is covered by a blue-gray, intact capsule with a large area of tan discoloration. The parenchyma is dark red with a firm, tan-yellow subcapsular infarct corresponding to the capsular discoloration described above. The cervical, hilar, and peritoneal lymph nodes are not enlarged.

MUSCULOSKELETAL SYSTEM: The clavicles, ribs, sternum, pelvis, and vertebral column have no fractures. A healing right thoracostomy incision is visible in the 4th intercostal space. The diaphragm is intact.

**BRAIN AFTER FORMALIN FIXATION****Gross description:**

Submitted for examination are the fixed brain, dura mater, and spinal cord. Examination of the dura reveals clotted blood in the venous sinuses. External examination of the brain reveals generalized flattening of cerebral cortical gyri. There is subarachnoid

**Madden, Rashad Akeem**

hemorrhage over the right frontal lobe, and a hemorrhagic focus of softening in the left parieto-occipital region. The cerebellar tonsils are prominent and hemorrhagic. Coronal sections of the cerebral hemispheres, cross sections of the brain stem, and mid- and parasagittal sections of the cerebellum demonstrate blood in the lateral ventricles. The gray matter demonstrates a dusky appearance and the gray-white junction is obscured. There is a large hematoma measuring 4 x 2 x 2 cm in the left parietooccipital white matter, with hemorrhagic discoloration of the overlying cortex. External examination of the spinal cord demonstrates no localized softening. Cross sections of the spinal cord at 0.5 cm intervals demonstrates a 1 mm focus of hemorrhage in the central portion of the upper cervical spinal cord, and a second similar focus in the mid-thoracic spinal cord. Gross photographs are taken.

**Diagnosis:****Brain (autopsy):**

1. Organizing thrombus within dural venous superior sagittal sinus.
2. Patchy organizing necrosis, frontal border zone; and neuronal necrosis and reactive gliosis in hippocampal CA1 region, consistent with global hypoxic/ischemic damage.
3. Large, early organizing hematoma, left parieto-occipital region.
4. Recent subarachnoid hemorrhage, right frontal lobe.
5. Cerebellar tonsillar herniation with fresh parenchymal hemorrhage.
6. Recent hemorrhage, central portion of upper cervical and mid-thoracic spinal cord, with fungal hyphae in cord parenchyma.

**NEUROMICROSCOPIC EXAMINATION**

Light microscopy of a section of superior sagittal sinus demonstrates organizing intravascular thrombus. A section of right frontal lobe demonstrates patchy early organizing necrosis, and fresh subarachnoid hemorrhage. The left hippocampus demonstrates necrotic neurons and early reactive gliosis in CA1. There is non-specific reactive gliosis in the midbrain tectum. A section of cerebellar tonsil demonstrates fresh intraparenchymal hemorrhage, consistent with the effects of herniation. Sections of the left parieto-occipital hematoma demonstrates blood clot, and aggregates of foamy macrophages in surrounding parenchyma, consistent with early organization. Sections of cervical and thoracic spinal cord demonstrate organizing hemorrhage in the central portion of the cord; the cervical cord section also contains fungal hyphae within the region of hemorrhage.

GMS stain for fungus is performed on hemorrhage-containing sections of frontal lobe, parietal lobe, cerebellar tonsil, and cervical and thoracic spinal cord, and on dural venous sinus thrombus; only the sections of cervical and thoracic spinal cord demonstrate fungal hyphae in association with hemorrhage.

**FINDINGS:**

1. Erratic and suicidal behavior on 5/28/2019;
  - a. History the decedent was holding a gun and pointing it at other individuals and himself.
  - b. History of self- inflicted sharp force injuries to extremities.
2. History the decedent was Tased by police with several discharges.
3. History the decedent was handcuffed and escorted to a curb following being tased and became unresponsive approximately 5 minutes following taser discharges.
4. DFD records indicate the decedent had a GCS of 10 with stable heart rate and blood pressure.
5. Decedent initially conscious on arrival to emergency room.
5. History of psychiatric disease with one diagnosis of schizophrenia and another separate diagnosis of bipolar disorder.
6. Admission drug screen positive for cocaine, amphetamines, and cannabinoids with body temperature of 102.7.
7. Witnessed seizure in emergency department; requiring intubation.
8. Two month hospital survival with:
  - a. Multiorgan system failure
  - b. Fungemia
  - c. Necrotic extremities
  - d. Intracerebral hemorrhage
  - e. Subarachnoid hemorrhage
9. History of pneumothorax identified in emergency room with no identifiable rib fractures by CT scan.
10. History of possible grade I liver laceration by CT scan ( not identified at autopsy).

**CONCLUSIONS:**

Based upon the autopsy and the history available to us, it is our opinion that Rashad Akeem Madden, a 29 year old black man, died from the toxic effects of cocaine and amphetamines. This superimposed on psychiatric disease likely exaggerated his bizarre behavior leading to a confrontation with the police during which he was tased by the police with several discharges. Following this he was responsive and walked to a separate area to await evaluation by paramedics where he became unresponsive after several minutes following taser discharge. On arrival by paramedics he maintained a stable heart rate and blood pressure although he was minimally verbal. While at the emergency room he suffered a seizure requiring intubation and deteriorated over a 2 month period with multiple complications ultimately causing his death. The etiology of the admission pneumothorax was unclear as there were no rib fractures identified by CT scan or autopsy.

### Description of Analysis:

#### Evidence Evaluation

Firearm – When a firearm is submitted to the laboratory for analysis, it is visually inspected to determine make, model, and serial number. The firearm is then physically evaluated for class characteristics and the presence of any possible anomalies.

Prior to test firing, the firearm is evaluated to determine if it is mechanically functional and safe to fire. Using unfired evidence ammunition or unfired ammunition from laboratory stock and the submitted magazine, the firearm is used to produce test fired standards for comparison purposes.

Ammunition – When fired cartridge cases and/or fired projectiles are submitted to the laboratory, they are evaluated to determine class characteristics and suitability of individual characteristics (microscopic markings) for comparison purposes.

#### Microscopic Comparison

IFS-19-10315-0005

Test Report - Firearms Analysis

July 19, 2019

When the firearm and fired cartridge cases and/or projectiles have the same class characteristics and have suitable individual characteristics (microscopic markings), a microscopic comparison of those items of evidence may be performed. Microscopic comparisons involve a comparison of the individual characteristics (microscopic markings) of two different ammunition components to determine if those two items were fired by the same firearm or different firearms.

When microscopic comparisons are performed, the fired evidence is compared to the test fired standards and/or other fired evidence using a comparison microscope. The correspondence, or lack thereof, of individual characteristics (microscopic markings) between the items is used to determine if there is a common source or different source for the fired ammunition components.

#### Blind Verification

Upon completion of microscopic comparisons by the primary analyst, all identifications, all eliminations based on individual characteristics (microscopic markings), and a portion of inconclusives are blind verified by a second examiner. The second examiner microscopically compares the items to be verified and reaches independent conclusions without knowledge of the conclusions reached by the primary analyst.

#### **Results & Conclusions:**

Item 1-1-1 is a mechanically functional 380 Auto caliber pistol. It has conventional style rifling consisting of nine lands and grooves with a left twist. Item 1-1-1 pistol was test fired using item 1-1-2 magazine and ammunition from laboratory stock.

Item 2-1-1-1 cartridge is suitable for firing in item 1-1-1 pistol.

Samples that may contain biological material were collected from items 1-1-1 pistol, 1-1-2 magazine, and 2-1-1-1 cartridge. The evidentiary value of this material is unknown.

Item 5-1 is a mechanically functional 357 Sig caliber pistol. It has polygonal style rifling consisting of six lands and grooves with a right twist. Item 5-1 pistol was test fired using item 6-1-1 magazine and item 6-5-2 cartridges.

Item 3-1-1 is a 357 Sig caliber fired cartridge case. Due to agreement of all discernible class characteristics, it was microscopically compared to a test fired cartridge case from item 5-1 pistol. Item 3-1-1 was identified as having been fired by item 5-1 pistol based on sufficient similarities in the patterns of microscopic markings observed between the compared items.

Items 6-2-1 and 6-2-2 magazines fit and function in item 5-1 pistol.

Items 6-3-1, 6-4-1, 6-5-1, and 6-6-1 cartridges are suitable for firing in item 5-1 pistol.

#### **Disposition of Evidence:**

The above listed items of evidence and test fires will be released to the Dallas Police Department. The collected samples from items 1-1-1 pistol, 1-1-2 magazine, and 2-1-1-1 cartridge will be stored at the laboratory.

Investigating Agency:	Detective Brewster Billings Dallas Police Department Crimes Against Persons Division 1400 S. Lamar, 5 <sup>th</sup> Floor Dallas, TX 75215	Laboratory #:	IFS-19-10315
		Request #:	0011
		Agency #:	106952-2019
		Complainant:	Mitchell Wallace
		Suspect:	Rashad Madden
		Offense:	Aggravated Assault on a Public Servant

**TEST REPORT – DNA**

**EVIDENCE:**

Received from Dallas Police Department:

- 1.1.1 Hi-Point pistol
- 1.1.2 Magazine
- 2.1.1.1 Cartridge
- 7.1.1 Buccal swab standard from Rashad Madden

COPY

**TESTING PERFORMED:**

**Part A. DNA Testing**

Portions of the following stored samples were subjected to a chemical process to extract deoxyribonucleic acid (DNA):

- 1.1.1.1 Sample from Hi-Point pistol - T1
- 1.1.1.2 Sample from Hi-Point pistol - T2
- 1.1.2.1 Sample from magazine - T1
- 2.1.1.1.1 Sample from cartridge - T1
- 7.1.1 Buccal swab standard from Rashad Madden

The DNA extracts from the above samples were amplified using the Polymerase Chain Reaction method, and typed using the Qiagen Investigator 24plex QS kit (lot number 157036618 or later).

**Part B. Profile Interpretation and Statistical Analysis**

Following amplification, each resulting DNA profile was interpreted using the Institute's current guidelines for STR profile interpretation and classified as being in one of the following DNA profile categories:

Analyst Initials AW

Page 2 of 5  
IFS-19-10315  
January 24, 2020

Single Source	A DNA profile from a single contributor. Each locus in the profile showed either one allele, or two alleles that were balanced in peak height.
Simple Mixture	A mixed profile from 2 or more contributors that could not be reliably resolved into major and minor/trace-minor components.
Major - Minor Mixture	A mixed profile from 2 or more contributors that could be reliably resolved into major and minor/trace-minor components at some or all loci.
Mixture - Subtraction	A mixed profile from 2 or more contributors that could be resolved using information about known or reasonably assumed contributor to the sample. The DNA profile from the known or reasonably assumed contributor was subtracted from the profile to obtain additional information about the unknown contributor(s) to the profile.

Profiles obtained from evidence samples were then compared to the profiles of one or more known individuals to determine if any of these individuals were a possible source of, or contributor to, the DNA profile obtained from each evidence sample.

For each inclusion, a statistical weight was calculated using one of the following generally accepted approaches:

- Combined probability of inclusion [CPI]
- Modified random match probability [mRMP]
- Likelihood ratio [LR]

Statistical analyses were performed using the NIST 1036 Revised U.S. Population Dataset (July 2017) of STR population frequencies provided by the National Institute of Standards and Technology (NIST) for the following population groups: African American, Asian, Caucasian, and Hispanic (CR Steffen et al., Forensic Sci Int Genet 31, e36-e40, 2017). The most conservative statistic(s) have been provided.

## RESULTS AND CONCLUSIONS:

The DNA profiles are shown in Appendix 1.

### **CODIS ENTRY:**

A CODIS eligible DNA profile was obtained from sample 7.1.1 (buccal swab standard from Rashad Madden), entered into the CODIS database, and will be regularly searched at both the state and national levels. In the event that there is a database hit to this profile that provides investigative information, the laboratory will issue written notification. Written notification will also be issued if this profile is removed from the database in the future.

NARRATIVE: I received a message to contact Chrystal Smith with the Medical Examiner's office. I call Ms. Smith, she stated that Complainant Rashad Madden had passed away on July 28<sup>th</sup>, 2019 @10:38pm. He was pronounced deceased by Dr. Edward Taylor at Baylor Hospital. His autopsy was performed on July 30<sup>th</sup>, 2019 by Dr. Candice Schoppe and the cause of death is pending tox screen results and investigation. I told Ms. Smith that they had a tox screen of his Baylor intake blood and provided the SWIFS case# for her.

I emailed Mischeka Nicholson and Kevin Feinglas with the District Attorney's Office to notify them of Mr. Madden's death.

I was called into Lt. Hunter's office with Major Williams and Sgt. Woodham to brief them on this case.

Investigative Notes up to 06/10/19..

05-29-19. On 05/28/19 SIU Detectives Billings#7626, Whitaker#6954, Shelton#7760, and Sgt. Woodham#8354 responded to the OIS at 7525 CF Hawn Frwy (5 Ponny's Truck Sales). Suspect (who has not been identified yet) showed up to location with a handgun pointed it at Complainant Mitchell Wallace and threatened him. Complainant Wallace retrieved his own handgun and confronted the Suspect. The Suspect then held his gun to his throat and threatened to kill himself. Witness Wallace observed this. The Suspect then crawled under a white van in the parking lot with the gun and was found by responding Officers Nelson#11280, Foster#11272, Sgt. Nosworthy#5882, Mulrenan#10988, Rayas#10984, Rushing#9694, and involved Officer Gribbon#10116. Officers saw the Suspect under the van holding a gun. His was facing away from them with his feet towards them. Officers gave loud verbal commands to drop the weapon, which the Suspect ignored. The Suspect continued to roll back and forth with the gun in his hand pointing it at Sgt. Nosworthy. Officer Foster was to the right of the other Officers giving commands and when the Suspect turned away from him he fired his Taser into the Suspect's back. The Taser was not effective enough to make the Suspect drop his handgun. Almost instantaneously Sgt. Nosworthy fired his Taser at the Suspect and Officer Gribbon fired his handgun at the Suspect. Sgt. Nosworthy's Taser did connect with the Suspect but it did not have any effect. Officer Gribbon's shot from his handgun missed the Suspect and struck the white van's front right wheel well. The Suspect then shifted towards Officer Foster, who grabbed him and pulled him out from under the van. Officer Foster then grabbed the Suspect's hands to secure the gun. Officer Foster took the gun away from the Suspect while Officer Rayas placed the Suspect in handcuffs. The Suspect was then carried away from the van and checked for injuries. The Suspect appeared to be in medical distress and was transported to Baylor Hospital by DFR.

---

CSRU responded and processed the crime scene. I/O Billings requested that all evidence be brought to SWIFS and that the Suspect's handgun be processed for fingerprints and DNA.

Officers Foster, Nelson, Mulrenan, Rayas, and Sgt. Nosworthy all gave walkthroughs in the presence of Det. Billings, Det. Whitaker, Sgt. Woodham, IAD Detective Young, CSRU Justin McDonnell#T237, and DA representatives Tracy Dotson and Mischeka Nicholson. Involved Officer Gribbon was represented at the scene by DPA attorney Zack Horn. Det. Billings asked Mr. Horn if his client would be willing to give a blood sample, a walkthrough, and a statement. Mr. Horn declined all three requests and an appointment for Officer Gribbon to give a statement was made for Friday May 31<sup>st</sup>, 2019 at 9:00 a.m.

Officers Foster, Nelson, Rayas, Mulrenan, Sgt. Nosworthy all reported to SIU and provided written statements.

The Suspect remains at Baylor Hospital and is non responsive at this time. CSRU responded to Baylor and took fingerprints of the Suspect to have him identified. CSRU gave the fingerprints to Det. Billings. The prints were then given to Officer Rayas to bring to the jail to have Sgt. Mack send them to the FBI to identify the Suspect. The prints will then be returned to Det. Billings by Officer Rayas and Mulrenan.

05-29-19. Suspect was identified after having his fingerprints sent to the FBI for identification. Suspect was identified as Rashad Madden B/M [REDACTED] AIS#2842947.

Tracy Dotson and Mischeka Nicholson from the DA's office came to location and picked up Body Worn Camera and Dash Camera Video from me.

I had Judge Ernest White in 194<sup>th</sup> Judicial District Court sign a search warrant to have Blood and DNA taken from Suspect Madden and taken to SWIFS.

I requested that CSRU go to Baylor and take Suspect's DNA (Buccal Swab) and place it at SWIFS.

I went to Baylor Hospital to check on the Suspect. He was still unresponsive and his condition was critical. He was suffering from organ shutdowns.

05-30-19 I called Baylor Hospital for an update of Suspect Madden and was not able to get through to the nurses station and was told that they did not have a patient under that name nor under Kappa Eighteen (which was the name that he was originally put under prior to his identification).

I went to Baylor Hospital, met with Suspect Madden's nurse (Maddie), she stated that the Suspect has had no change in his condition since yesterday. Suspect also has a punctured lung along with multiple organ failure.

I went to the Baylor blood lab and left Search Warrant for Suspect Madden's initial blood draw. This request was left with (Shawna 214-820-3188) she will call I/O back when the blood is ready for pickup.

Baylor Hospital called (Shawna) and stated that the blood was ready for pickup.

05-31-19. I/O picked up preserved blood from Suspect Madden and took it to SWIFS for testing. I/O checked on Suspect Madden's condition at Baylor. His condition remains the same and he is unconscious and unresponsive. 7626

06-03-19. I/O requested that Suspect Madden's blood have a tox screen for drugs through SWIFS. This request was made with Cheif, Forensic Chemistry Erin Spargo. 7626

06-03-19. I/O went to Baylor Hospital to check on Suspect Madden's condition. There has been no change in his condition. He has been

moved to Room#714 now. 7626

06-04-19. I/O and Sgt. Woodham met with DA Mischeka Nicholson and DA Investigator Tracy Dotson as well as DPD Use of Force Instructor Joe Hawkins#7838. Instructor Hawkins explained the Taser report from Sgt. Nosworthy and Officer Foster's Taser reports. DA would like to know where and if Suspect Madden had been struck by any tasers. Taser reports were placed in tha Book.

06-04-19. I/O completed the offense for Agg Assault by Public Servant on case#111841-2019. 7626

06-10-19. I/O called Suspect Madden's father (James Madden 214-923-9296) and spoke wiht Suspect's sister (Tara Demington). She stated that Suspect Madden was still in the hospital "Fighting for his life" and that the family had several questions for I/O. Ms. Demington stated that she was going to go talk to her father and that they would call I/O back. 7626

06-10-19. I/O went to Baylor Hospital and checked on Suspect Madden. I/O spoke with attending nurse Blake O. He stated that Suspect Madden had shown some improvement and has been able to show response to people's voices. IT was also reported that Suspect Madden did not have a lacerated liver as had been released on social media by the family's attorney. Nurse Blake stated that he had liver failure and it's cause was not known but was not caused by any outside trauma. 7626.

06-10-19. Case Filed on Suspect Madden.  
IN CUSTODY. CM#100529283. CASE#106952-2019. MADDEN, RASHAD, AKEEM. WARRANT#F1955126. AGGRAVATED ASSAULT-DEADLY WEAPON.

#### NARRATIVE:

Mitchell Wayne Wallace W/M/ [REDACTED]  
[REDACTED]

On May 28, 2019, Det. A. Whitaker, #6954 conducted a recorded interview with witness Wallace in a marked Dallas Police squad car #8007 at 7525 C F Hawn Service road in Dallas, Texas.

Witness Wallace stated that he was working at his place of business at 5 Ponnys Ruck Sales located at 7525 CF Hawn Fwy. In Dallas, Texas when a black male came on to his property and pointed a gun at him foaming at the mouth. Witness Wallace stated that he took cover and drew his gun at that time the suspect turned his gun on himself and stated that he was going to kill himself. Witness Wallace stated he phoned 911 and began to talk to the suspect to calm him down. The suspect sat on the ground worked the slide on his weapon and one bullet ejected out of his gun the suspect then placed that bullet back into the gun and crawled head first under a van on his lot. The witness stated that he lost site of the suspect. The complainant stated that the Police arrived to the location. The complainant stated that he was there with his wife and daughter.

## Incident Description

On May 28, 2019, at approximately 8:00pm, officers were dispatched to a mental health (46A) man with a gun at 7525 C.F. Hawn Freeway. On arrival officers observed an unidentified black male under a parked van holding a pistol. Officers gave the subject verbal commands to drop the weapon and crawl out from underneath the van which the subject ignored. Several attempts to communicate with the subject failed and officers tased the subject twice which appeared to have no effect. The subject continued to roll underneath the vehicle displaying the weapon and Officer J. Gribbon #10116 discharged his weapon one time toward the subject. The subject began to crawl from the vehicle and officers were able to place the subject into custody. Officers attempted to provide first aid and could not find a defect on the subject. The subject appeared to be having a medical emergency from the ingestion of an unknown substance and was transported to Baylor Hospital by DFR for medical attention.

A black handgun believed to be the subjects was recovered at the location. Dash cam video and body worn camera video was reviewed at the scene and at SIU. Witness officers provided a walk through and reported to SIU and wrote statements. The involved officer was requested to provide a walk-through, provide a blood specimen, and write a statement which was declined through his attorney at the scene. The involved officer agreed to report to SIU on Friday, May 31, 2019 to provide a written statement.

The subject did not have any identifiers on his person and is being fingerprinted at the hospital. The subject was sedated at the hospital by medical staff and could not be interviewed. The subject remains in critical condition.

No officers were injured during the incident. The subject will be charged with Aggravated Assault.

This is an on-going investigation.

OBTAINED ON DATE: 05/29/19

AT TIME: 12:30 a.m.

TOPIC: OIS

NARRATIVE: On 05/28/19 SIU Detectives Billings#7626, Whitaker#6954, Shelton#7760, and Sgt. Woodham#8354 responded to the OIS at 7525 CF Hawn Frwy (5 Ponny's Truck Sales). Suspect (who has not been identified yet) showed up to location with a handgun pointed it at Complainant Mitchell Wallace and threatened him. Complainant Wallace retrieved his own handgun and confronted the Suspect. The Suspect then held his gun to his throat and threatened to kill himself. Witness Wallace observed this. The Suspect then crawled under a white van in the parking lot with the gun and was found by responding Officers Nelson#11280, Foster#11272, Sgt. Nosworthy#5882, Mulrenan#10988, Rayas#10984, Rushing#9694, and involved Officer Gribbon#10116. Officers saw the Suspect under the van holding a gun. His was facing away from them with his feet towards them. Officers gave loud verbal commands to drop the weapon, which the Suspect ignored. The Suspect continued to roll back and forth with the gun in his hand pointing it at Sgt. Nosworthy. Officer Foster was to the right of the other Officers giving commands and when the Suspect turned away from him he fired his Taser into the Suspect's back. The Taser was not effective enough to make the Suspect drop his handgun. Almost instantaneously Sgt. Nosworthy fired his Taser at the Suspect and Officer Gribbon fired his handgun at the Suspect. Sgt. Nosworthy's Taser did connect with the Suspect but it did not have any effect. Officer Gribbon's shot from his handgun missed the Suspect and struck the white van's front right wheel well. The Suspect then shifted towards Officer Foster, who grabbed him and pulled him out from under the van. Officer Foster then grabbed the Suspect's hands to secure the gun. Officer Foster took the gun away from the Suspect while Officer Rayas placed the Suspect in handcuffs. The Suspect was then carried away from the van and checked for injuries. The Suspect appeared to be in medical distress and was transported to Baylor Hospital by DFR.

CSRU responded and processed the crime scene. I/O Billings requested that all evidence be brought to SWIFS and that the Suspect's handgun be processed for fingerprints and DNA.

Officers Foster, Nelson, Mulrenan, Rayas, and Sgt. Nosworthy all gave walkthroughs in the presence of Det. Billings, Det. Whitaker, Sgt. Woodham, IAD Detective Young, CSRU Justin McDonnell#T237, and DA representatives Tracy Dotson and Mischeka Nicholson. Involved Officer Gribbon was represented at the scene by DPA attorney

Zack Horn. Det. Billings asked Mr. Horn if his client would be willing to give a blood sample, a walkthrough, and a statement. Mr. Horn declined all three requests and an appointment for Officer Gribbon to give a statement was made for Friday May 31<sup>st</sup>, 2019 at 9:00 a.m.

Officers Foster, Nelson, Rayas, Mulrenan, Sgt. Nosworthy all reported to SIU and provided written statements.

The Suspect remains at Baylor Hospital and is non responsive at this time. CSRU responded to Baylor and took fingerprints of the Suspect to have him identified. CSRU gave the fingerprints to Det. Billings. The prints were then given to Officer Rayas to bring to the jail to have Sgt. Mack send them to the FBI to identify the Suspect. The prints will then be returned to Det. Billings by Officer Rayas and Mulrenan.

### INVESTIGATIVE INFORMATION

SUBMITTING OFFICER: Det. C. Ramirez, #7386      DATE: 05/28/19  
INFO OBTAINED VIA: In Person  
OBTAINED ON DATE: 05/28/19      AT TIME: 8:30 p.m.

TOPIC: OIS - Contact with officers at the Baylor Hospital and at DPD police headquarters

### NARRATIVE:

On May 28, 2019, at approximately 8:30 p.m., Assisting Detective Christine Ramirez, #7386, was informed by Sergeant Sim Woodham, #8394, to report to Baylor Medical Center located at 3500 Gaston Avenue in Dallas, Texas. There was an Officer Involved Shooting on Channel 3 (Southeast Patrol Division). Sgt. Woodham asked me to meet with Officers Sergio Ortiz, #10693, and Kevin T. Yeatman, #10695, at the hospital.

Detective Ramirez arrived at the hospital at approximately 9:30 a.m. and met with Officers Sergio Ortiz, #10693; Kevin Yeatman, #10695; Sergio Garcia, #10929; and Mark Ayala, #11228 in the Emergency Room of Baylor Hospital. Detective Ramirez spoke with each officer individually.

### Officer Sergio Ortiz, #10693

Officer Ortiz stated he heard over the radio about a signal 46 at an address on CF Hawn east of Elam Rd. He stated he was working C346 with his partner, Officer Yeatman, #10695. When they arrived, he saw Officer Mulrean escorting the suspect to the sidewalk. He ~~stated the suspect at that point seemed alert and was looking around~~ before he was placed in the ambulance. Officer Ortiz observed scrapes on the suspect's leg. He believed he got them from crawling underneath the vehicle. He stated he, his partner, and Element F315 (Officers Mark Ayala, #11228, and Sergio Garcia, #10929) transported the suspect to Baylor Hospital. He stated his partner and Officer Garcia got in the back of the ambulance with the suspect. The suspect had a heart rate of 150 to 160. He was intubated at the hospital.

He described the suspect as a black male in his 30's.

### Officer Kevin Yeatman, #10695

Officer Yeatman stated he was working C346 with his partner, S. Ortiz. They were at the property room and heard about the signal 46 call. They went code 3 to the offense location regarding a male

with a gun. He stated Sgt. Nosworthy contacted them to make sure they were enroute and about to arrive. He stated they were at Lake June and CF Hawn when they heard over the radio "shots fired". They arrived at the scene about 30 seconds later. He observed the officers carrying the suspect to the sidewalk, and Dallas Fire Rescue was down the street near the scene.

Officer Yeatman stated he and Officer Garcia rode in the back of the ambulance with the suspect. He stated the suspect was not doing anything in the back of the ambulance. The suspect was handcuffed, but he could not tell if the suspect was awake. He observed Taser probes near the suspect. He stated Dallas Fire Rescue did pre-prep stuff on the suspect.

Officer Yeatman stated Officer Ayala and Ortiz followed behind the ambulance to the hospital. He observed white foam on the suspect's mouth. He stated the suspect was in Room B17 for x-rays and taken to T3. He does not know if the suspect was alert. He stated the suspect's eyes were open, but he was out. Not responsive.

#### Officer Sergio Garcia, #10929

Officer Garcia was working F315 with his partner, Mark Ayala, #11228. Officer Garcia stated he was at the station working on a crash report when they both heard "shots fired" at the location. They arrived at the scene. They were on the service road of CF Hawn and Elam. They walked to the business to the actual scene. They heard over the radio an unknown officer (believed to be C398) say "shots fired". They arrived at the scene and were told to go in the ambulance with the suspect. He observed the suspect's eyes were open with white foam on his mouth. He also observed Taser wire around the body. Dallas Fire Rescue checked the body and did not see any gunshot wound and no blood on him. They observed him place an IV on the suspect. He has never dealt with the suspect.

He described the suspect as 5'8", thin built, black male, early 20's. Suspect had tattoos on his chest. Officer Garcia does not know the medical condition of the suspect.

#### Officer Mark Ayala, #11228

Officer Ayala stated he and his partner, Officer Garcia, were at the station working on reports and overheard Sgt. Nosworthy (C350) over the radio telling elements to keep the radio clear. He stated it was quiet and then heard "shots fired". He and his partner ran to their vehicle to Jim Miller and Elam. They arrived at the scene and Sgt. Helm told them to block off the streets, the first street (does not recall the name). They then walked to the scene. The sergeant told Sergio Ortiz to get in the ambulance. The officers were then placed in the back of the ambulance. He stated at first the suspect was on the floor with prongs on the left side, but not attached. Officers at the scene believed the suspect was on cocaine. The call sheet stated he took drugs and was upset about his daughter.

None of the officers knew who shot the suspect.

Notes:

At the hospital, the suspect was moved to the Roberts Building, Room R708. Medical staff members were working on the suspect. Nurse Practitioner Adrian and Head Nurse Heather P. along with other medical staff attended to the suspect. The suspect was sedated and his heart rate was at 146. Nurses stated the suspect was in respiratory distress. The suspect was admitted under the name of Kappa Eighteen with DOB: 01-01-1901. Detective Ramirez left a business card with Officer Sergio Ortiz and with the medical personnel. PES was requested to fingerprint the suspect. PES had been at the hospital earlier to take photographs of the suspect.

Officers Garcia, Ortiz, and Yeatman will be going to the Special Investigations Unit tomorrow (May 29, 2019) around 3 p.m. to give their written statement. Officer Ayala will be in on Friday, May 31, 2019 at 3p.m. to give his statement.

Detective Ramirez left the hospital at 10:40 p.m. and went to Dallas Police Headquarters and took witness officer statements.

On May 29, 2019, at 12:04 a.m., Detective Ramirez returned Major Weddington's missed call. He was inquiring about the suspect's status and wanted the doctor's name and number. Detective Ramirez texted him the suspect's room number at the hospital. Major Wedding stated he spoke with the medical staff that were still working on suspect and stated the suspect will make it.

Officer Ortiz called and gave me Nurse Heather P.'s contact number of 214-821-5990.

---

Detective Ramirez continued to work on getting statements from the officers at police headquarters.

#### NARRATIVE:

On May 28, 2019, I, Detective Cayce Shelton, #7760, interviewed witness Lynda Wallace in room #4 at HQ/Homicide. She is identified as follows:

Lynda Wallace

W/F/ [REDACTED]  
[REDACTED]

A brief summary of her statement follows:

She was in the parking lot on her property with her daughter and husband when she heard someone mumbling. She turned around and observed the suspect, a black male with no shirt, dark pants, and foam or white "stuff" coming from his mouth. As the suspect approached her, she observed him holding a pistol near his waist. She then told her daughter to run inside the office and call 911. After her daughter ran, the suspect pointed the pistol at his (suspect) neck and stated "I want to die". She then ran inside the office and got on the phone with 911. She locked the door and could hear her husband talking with the suspect. While on the phone with 911, she went to the roof and looked at her husband and suspect. She couldn't see her husband and therefore ran next door with her daughter. While she was inside she could hear her husband yell to the officers to not shoot the suspect. She also heard the officers yelling at the suspect to drop the gun. She then heard two "shots". She described the first shot as a quieter shot compared to the second shot. After the gunshots she looked outside and saw the officers taking the suspect to the road. She then went to her husband and made sure he was ok. She has never seen the suspect before. She was not sure if the suspect pointed the pistol at her or her family. She stated it happened so fast that all she saw was the suspect point the pistol at himself.

W/F/ [REDACTED]

A brief summary of her statement follows:

She was in the parking lot with her mother and father. She heard a voice nearby but could not make out any words. She did not see the suspect from where she stood but saw her father pull his gun from his pocket. She then heard vaguely that the suspect was wanting to kill himself. Her mother told her to go inside the office and call 911. She ran inside and never got to see the suspect. She called 911 from her mother's phone as her mother ran inside. She handed the phone to her mother and remained inside until her mother came inside to get her. She opened the window to hear the event.

She heard the Officers yelling at the suspect to drop the weapon. She did not hear the suspect speaking or yelling any longer. She then saw the Officers surrounding the van as they were yelling at the suspect. As she and her mother were moving from the office to the house next door, she heard two gunshots. The first gunshot was quieter, then a 5 second pause then the second louder gunshot. She stated she has not seen the suspect before.

### SYNOPSIS OF SHOOTING BASED ON THE WITNESS ACCOUNT:

On May 28, 2019, at approximately 8:00pm, officers were dispatched to a mental health (46A) man with a gun at 7525 C.F. Hawn Freeway. On arrival officers observed an unidentified black male under a parked van holding a pistol. Officers gave the subject verbal commands to drop the weapon and crawl out from underneath the van which the subject ignored. Several attempts to communicate with the subject failed and two officers fired their tasers. One officer fired 6 times and the other two times, which appeared to have no effect. The subject continued to roll underneath the vehicle displaying the weapon and Officer J. Gribbon #10116 discharged his weapon one time toward the subject. The subject began to crawl from the vehicle and officers were able to place the subject into custody. Officers attempted to provide first aid and could not find a defect on the subject. The subject appeared to be having a medical emergency from the ingestion of an unknown substance and was transported to Baylor Hospital by DFR for medical attention.

A black handgun believed to be the subjects was recovered at the location. Dash cam video and body worn camera video was reviewed at the scene and at SIU. Witness officers provided a walk through and reported to SIU and wrote statements. The involved officer was requested to provide a walk-through, provide a blood specimen, and write a statement which was declined through his attorney at the scene. The involved officer agreed to report to SIU on Friday, May 31, 2019 to provide a written statement.

The subject did not have any identifiers on his person and was later identified as Rashad Manning. The subject was sedated at the hospital by medical staff and could not be interviewed. The subject remained in critical condition until July 28, 2019 when he died. A blood specimen was taken from subject Manning when he was initially admitted to the hospital. The results of the toxicology showed he was under the influence of cocaine, opiates, marijuana and stimulants amphetamine and methamphetamine.

There has been no ruling from the medical examiner on cause of death. This case was sent to the District Attorneys office on September 12, 2019. The case has not moved forward due to no cause of death being attributed. A meeting was scheduled with the Madden family on June 11<sup>th</sup>, in which they failed to show up.

Re: Open Records Request for information regarding an aggravated assault offense concerning the investigation of an officer involved shooting that occurred at 7525 C.F. Hawn Freeway, Dallas, Texas on 5/28/2019

Dallas Police Department Case Number 106952-2019

Dear General Paxton:

I am an Assistant District Attorney with the Dallas County District Attorney's Office. In my capacity as an Assistant District Attorney, I am an attorney for the State of Texas. There has been an Open Records Request made to the Dallas Police Department (DPD) for a copy of the case file related to an offense of aggravated assault concerning the investigation of an officer involved shooting that occurred at 7525 C.F. Hawn Freeway, Dallas, Texas, on May 28, 2019. The subject of the investigation is Rashad Madden. DPD is continuing its investigation. Any resulting charges from this incident will be handled by the Dallas County District Attorney's Office. As prosecutors, the Dallas County District Attorney's Office objects to the release of any of the requested information in this case.

The requested information contains information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime, the release of which would interfere with the detection, investigation, or prosecution of crime. See Tex. Gov't Code Ann. § 552.108(a). In addition, the records are an internal record or notation of a law enforcement agency or prosecutor that are maintained for internal use in matters relating to law enforcement or prosecution, the release of which would interfere with law enforcement or prosecution. See Tex. Gov't Code Ann. § 552.108(b).

Additionally, the requested information should be excepted from disclosure under the Public Information Act's pending litigation exception. See Tex. Gov't Code Ann. § 552.103(a) (stating that information is excepted from disclosure if it is information relating to litigation of a civil or criminal nature to which the State or a political

subdivision is or may be a party). The Dallas County District Attorney's Office is, as the prosecuting agency in criminal cases, necessarily a party to any criminal litigation that will arise regarding the requested records. See Tex. Gov't Code Ann. § 552.103(b).

Accordingly, this office seeks a determination that the requested information is and will remain excepted from disclosure pursuant to §§ 552.108 and 552.103 of the Government Code.

Sincerely,

/s/ Michael J. Sandlin

**BLACK MALE RUMORED BRAIN DEAD AFTER BEING TASED BY DALLAS POLICE HAS BEEN DENIED BAIL. FAMILY DEMANDS THAT HE BE PROVIDED BAIL AND THEY WANT ANSWERS.**

Dallas County, TX- On May 28, 2019, Rashad Madden, a 28 year old black male, ended up in Baylor Hospital unconscious after being brutalized by officers from DPD. The facts surrounding this interaction are a mystery, as the agency has avoided providing Rashad's family any information. What's known is that Rashad is in police custody at Baylor Hospital and he is rumored to be "brain dead." His family is not being provided access to him and they are unable to make any decisions for his health care due to the fact that he has been denied bail. This is grossly unacceptable.

This incident highlights the inhumanity of our criminal justice system. There is an obvious use of force issue here. Furthermore, no person should be brutalized to the brink of death, and then subsequently be hidden from his family due to being denied bail. Rashad and his family deserve better than this. They should be afforded the opportunity to bail Rashad out and they demand to know why he lies in a hospital bed unconscious due to the use of force by DPD.

The question of how crime is policed in Dallas is becoming a hotly contested issue. Because of this, there has been an increased call for a return to "tough on crime" policies that tend to lead to a heightened degree of deadly police-civilian interactions. If DPD and its leadership decide to take this route of over policing, transparency becomes even more important in use of force cases such as Rashad's.

**BLACK MALE RUMORED BRAIN DEAD AFTER BEING TASED BY DALLAS POLICE HAS BEEN DENIED BAIL. FAMILY DEMANDS THAT HE BE PROVIDED BAIL AND THEY WANT ANSWERS.**

Dallas County, TX- On May 28, 2019, Rashad Madden, a 28 year old black male, ended up in Baylor Hospital unconscious after being brutalized by officers from DPD. The facts surrounding this interaction are a mystery, as the agency has avoided providing Rashad's family any information. What's known is that Rashad is in police custody at Baylor Hospital and he is rumored to be "brain dead." His family is not being provided access to him and they are unable to make any decisions for his health care due to the fact that he has been denied bail. This is grossly unacceptable.

This incident highlights the inhumanity of our criminal justice system. There is an obvious use of force issue here. Furthermore, no person should be brutalized to the brink of death, and then subsequently be hidden from his family due to being denied bail. Rashad and his family deserve better than this. They should be afforded the opportunity to bail Rashad out and they demand to know why he lies in a hospital bed unconscious due to the use of force by DPD.

The question of how crime is policed in Dallas is becoming a hotly contested issue. Because of this, there has been an increased call for a return to "tough on crime" policies that tend to lead to a heightened degree of deadly police-civilian interactions. If DPD and its leadership decide to take this route of over policing, transparency becomes even more important in use of force cases such as Rashad's.

Chief:

**SUMMARY**

On May 28, 2019, officers responded to 7525 C.F. Hawn Freeway regarding a crisis intervention (Signal 46A) call, where Mr. Rashad Madden produced a weapon. On arrival, officers observed Mr. Madden under a parked van holding a weapon. Officers gave Mr. Madden verbal commands to drop the weapon and crawl out from underneath the van. Mr. Madden failed to comply with the officers' commands. After several failed attempts to communicate with Mr. Madden, he was tasered which appeared to have no effect. Mr. Madden continued to roll underneath the van displaying the weapon. Senior Corporal Jason Gribbon, #10116, Southeast Division, discharged his duty weapon one time at Mr. Madden. Sergeant Dudley Nosworthy, #5882, and Police Officer Thomas Foster, #11272, Southeast Division, discharged their tasers at Mr. Madden. Mr. Madden began to crawl from under the van and officers placed him into custody. Mr. Madden appeared to have an adverse reaction to drugs he had consumed and was transported to Baylor Hospital. On July 28, 2019, Mr. Madden was pronounced deceased at the hospital. As a result, the following investigation was conducted.

## **INVESTIGATION**

### **OFFICER TESTIMONY**

**Senior Corporal Jason Gribbon, #10116, Southeast Division (Affidavit In Any Fact dated May 31, 2019, and Internal Statement dated March 26, 2021)**

On May 28, 2019, at approximately 7:55 p.m., Senior Corporal Gribbon responded to a call regarding Mr. Madden pointing a weapon to his neck. He heard an officer state Mr. Madden was inside a vehicle with a female, who had blonde hair. Senior Corporal Gribbon was concerned the incident would become a barricaded person situation with a hostage.

On arrival, Senior Corporal Gribbon observed several officers on scene. He ran towards the scene and heard Sergeant Nosworthy yell out for officers to get behind cover. Senior Corporal Gribbon ran towards Sergeant Nosworthy, who was crouched down at the rear of a pickup truck with his taser unholstered. Senior Corporal Gribbon got into a crouched position to see Mr. Madden. He heard tasers being discharged. From his vantage point, it appeared the attempts to tase Mr. Madden would be ineffective. Almost immediately, Senior Corporal Gribbon observed Mr. Madden reach under his body for a weapon. Senior Corporal Gribbon saw glimpses of the weapon as it appeared and disappeared under Mr. Madden's body. At one point, Mr. Madden moved the weapon from under his body to his left side. Moments later, Mr. Madden reached for the weapon and fumbled with it briefly until he gained full control of the weapon. Senior Corporal Gribbon yelled, "Drop it! Drop it! Drop it!" Mr. Madden turned the weapon and pointed it at Senior Corporal Gribbon, who was still in a crouched position. Senior Corporal Gribbon discharged his duty weapon one time to stop Mr. Madden from murdering him.

Mr. Madden screamed, then he stopped moving. Senior Corporal Gribbon believed he shot Mr. Madden and stopped the threat. Several officers cautiously approached Mr. Madden and placed him into custody.

**Sergeant Dudley Nosworthy, #5882, Southeast Division (Affidavit In Any Fact dated May 28, 2019, and Internal Statement dated April 1, 2021)**

Sergeant Nosworthy responded to a call at 7525 C. F. Hawn Freeway regarding a man (Mr. Madden) with a gun to his head stating he was going to kill himself. Upon arrival, he observed Police Officers Dylan Nelson, #11280, and Thomas Foster, #11272, Southeast Division, entering the business parking lot, and Mr. Madden lying in the prone position underneath a white van. Initially, Sergeant Nosworthy unholstered his duty weapon briefly then re-holstered. He took a prone position in front of the van and began to point his Taser at Mr. Madden. To get a better view of Mr. Madden, Sergeant Nosworthy moved to his left and took a kneeling position from the corner of the white pickup truck.

Officer Foster was on the other side of van. Officer Foster was in a combative dialogue with Mr. Madden, who made several suicidal threats while holding a firearm in his hands. Several times during this dialogue, Mr. Madden rolled to his left and right and manipulated the weapon telling officers to kill him. Sergeant Nosworthy requested an officer with a ballistic shield to respond to the location. Officer Foster discharged his taser at Mr. Madden, which appeared to have no effect. Sergeant Nosworthy had a clear shot to discharge his taser at Mr. Madden. Once Sergeant Nosworthy discharged his taser, he was unsure if both probes connected because there was no reaction by Mr. Madden. Sergeant Nosworthy decided to install a second cartridge. At that time, he heard a single shot from Senior Corporal Gribbon, who was on Sergeant Nosworthy's right side. Once Senior Corporal Gribbon discharged his weapon, several cover officers approached Mr. Madden, secured the weapon he was holding, and placed him into custody.

Dallas Fire Rescue (DFR) responded to the location and transported Mr. Madden to Baylor Hospital. Prior to Mr. Madden being transported to the hospital, the taser prongs were removed. At no time did Sergeant Nosworthy discharge his duty weapon.

**Police Officer Thomas Foster, #11272, Southeast Division (Affidavit In Any Fact dated May 29, 2019, and Internal Statement dated April 1, 2021)**

Officer Foster responded to a call regarding a man (Mr. Madden) holding a weapon to his head and crawling underneath a van. On arrival, he observed Mr. Madden underneath a parked van. Officer Foster crouched behind the front driver's side wheel and observed Mr. Madden holding a black weapon. Officer Foster gave Mr. Madden verbal commands to drop the weapon. Officer Foster noticed Mr. Madden was foaming from his mouth and screaming incoherently about his daughter. Again, Officer Foster gave verbal commands for Mr. Madden to drop the weapon. Mr. Madden refused to comply.

Officer Foster attempted to talk to Mr. Madden. He stated he needed to protect his daughter, but his syntax and statements were incoherent. Mr. Madden stated he had used cocaine. Mr. Madden placed the black weapon under his chin and screamed he would kill himself. Mr. Madden stated he wanted the police to kill him. Officer Foster attempted to get Mr. Madden to talk, then he heard what sounded like Mr. Madden racking the weapon. Mr. Madden stated he put a bullet in the chamber, and he would kill the officers if they did not kill him. Mr. Madden rolled around and positioned his body with his back towards Officer Foster. As a result, Officer Foster could no longer see Mr. Madden's hands. Officer Foster heard what he believed to be a taser discharge. Mr. Madden rolled back onto his stomach and attempted to crawl away with the weapon in his hands. Mr. Madden positioned his back towards Officer Foster again. Officer Foster drew his taser and discharged it into Mr. Madden's back, giving verbal commands to drop the weapon. Mr. Madden did not comply and continued to crawl away.

Officer Foster repeated the verbal commands for Mr. Madden to drop the weapon, and he failed to comply. Officer Foster tased him again. Mr. Madden attempted to crawl away two more times and failed to comply with verbal commands to drop the weapon. Mr. Madden almost crawled from under the van, and Officer Foster grabbed him, while he was holding the weapon underneath his chest. Officer Foster placed one of Mr. Madden's arms behind

his back, Officer Nelson helped placed Mr. Madden into custody. Officer Foster recovered the weapon from Mr. Madden's other hand, which was still beneath his chest. Officer Foster handed the weapon off, then he and several officers carried Mr. Madden out for DFR. At no time did Officer Foster discharge his duty weapon.

## **FINDINGS**

On May 28, 2019, officers were dispatched to 7525 C.F. Hawn Freeway regarding a mental health call where Mr. Madden produced a weapon. On arrival, officers observed Mr. Madden under a parked van holding a weapon. Officers gave Mr. Madden verbal commands to drop the weapon and crawl out from underneath the van. Mr. Madden failed to comply with the officers' commands. After several failed attempts to communicate with Mr. Madden, he was tasered by Sergeant Nosworthy and Officer Foster, which appeared to have no effect on him. Mr. Madden continued to roll underneath the van displaying the weapon. Senior Corporal Gribbon discharged his duty weapon one time at him, but the round did not strike Mr. Madden. Mr. Madden began to crawl from under the van and officers placed him into custody. BWC documents Mr. Madden appeared responsive and was talking to the officers. Mr. Madden was transported to Baylor Hospital by DFR for medical treatment. Mr. Madden died two months later. The autopsy report documents Mr. Madden died from the toxic effects of cocaine and amphetamines.

Based upon the testimonial, documentary, and video evidence collected during the course of this investigation, Senior Corporal Gribbon's use of force was within the guidelines of the Dallas Police Department's Deadly Force Policy, General Order 906.02, and was justified under Chapter 9.13 of the Texas Penal Code. There was no evidence indicating Sergeant Nosworthy and Officer Foster violated any Departmental policy during this incident or that their actions contributed to or caused the death of Mr. Madden. Therefore, this investigation is classified as **"COMPLETE."**

**DECLARATION OF DUDLEY NOSWORTHY, II**

---

My name is Dudley Nosworthy, II.<sup>1</sup> I am over twenty-one (21) years of age and am fully competent to make this declaration. I have never been convicted of a felony or a crime of moral turpitude and have no legal disabilities that would prevent me from making this declaration. Unless explicitly stated otherwise, I have personal knowledge of the facts set forth herein, and all of the statements in this declaration are true and correct to the best of my knowledge and recollection.

On May 28, 2019, I was employed by the Dallas Police Department as a police sergeant. On that day, I responded to 5 Ponies Truck Sales, regarding a 46A-CIT W/Ambulance (Crisis Intervention Team with Ambulance), where a Black Male had a gun to his head. Upon arrival I parked my patrol car on the street in the front of the business and observed a Black Male lying in the prone position under a white van with his feet facing me. I encountered the business owner in the parking lot. The business owner, who I later came to know as Mitchell Wallace, stated the Black Male entered the business and pointed a handgun at him so he in turn pointed his handgun at him. The Black Male then fled under the white van. Mr. Mitchell asked me to “please do not shoot him.” I instructed Mr. Mitchell to move to the other side of the business parking lot and then I unholstered my duty weapon and moved to a prone position in the parking lot facing the white van which the Black Male was lying under. After several seconds I holstered my duty

weapon and drew my Taser because I felt I could better resolve the incident utilizing my Taser. I also moved to the corner of a truck in the parking lot which provided me some cover and gave me a better vantage point to see the Black Male. I observed the Black Male holding the handgun with both hands as he was rolling from side to side and pointing the handgun to both sides of the van. During this time there was constant combative dialogue between the Black Male and two other officers on the other side of the van telling him to drop the weapon.

As more officers began to arrive at the location, I directed them to take up positions of cover within the parking lot and Officer Gribbon took up a kneeling position to my right side. During the continued combative dialogue with the Black Male telling him to drop the weapon, the Black Male rolled on his right side exposing his full front torso. This exposure allowed me the best opportunity to fire my Taser. Once I fired my Taser, I was unsure if both Taser Probes connected to the Black Male because I did not observe a defined reaction. I made the decision to install my second cartridge. As I looked down to facilitate this process, I heard Officer Gribbon fire a single shot at the Black Male. I was unsure if the Black Male was hit, however I believe this distracted the Black Male enough to where the other officers on the other side of the van were able to remove him from underneath the van and place him into custody. The Black Male was immediately checked out by DFR and taken to Baylor Hospital.

Once the Black Male was transported to the hospital, I began the process of notifying my chain of command we had an Officer Involved Shooting.

**VERIFICATION**

"I, Dudley Nosworthy, II, state under penalty of perjury that the foregoing is true and correct. Executed on March 17, 2022)
